

'Romulus must have progressive leadership'

McAnally announces her candidacy for mayor

BEVERLY McANALLY

City Treasurer Beverly McAnally, declaring her intentions to "bring progressive leadership to the city... and become more cost effective in our delivery of services" on Saturday announced her candidacy for mayor.

"Our city must have progressive leadership to undertake retention and expansion of programs for existing industries, financial and technical assistance, industry targeting and pursuit and, perhaps most important, education and retraining of our people," Mrs. McAnally informed about 200 supporters who had gathered at the Hilton Airport Inn.

With her husband, Earl, on hand, Mrs. McAnally stressed that "this

will not be an easy battle."

"I do not underestimate my opponent, but I will no longer work to rescue and make solvent a government that has as its chief executive officer one who engages in actions that pursue diametric opposite philosophical and ethical views than that which I perceive to be in the best interest of our city and our people."

Born in 1927, Mrs. McAnally received her education at Park College and the University of Kansas City, majoring in Liberal Arts. She and her husband have three children and have resided in Romulus for 20 years.

Mrs. McAnally was one of two women first elected to the Romulus

City Council, and the only woman to serve on the Planning Commission. She came from 14th place in the primary of 1973 to place first among the voters' choice in the general election thereby earning the Mayor Pro Tem and Chairman of the City Council honors.

Her credentials are long and impressive. She was selected as the "Outstanding Woman of the Year in 1973" by the Romulus Jaycettes and served as president of Hayti PTA for two terms and also was president of the Romulus Area PTA Council for two terms. She was a founder of the YWCA Pre-School Nursery Program, a founder of the Romulus Help Center, the Romulus Child Health and Immunization Clin-

nic and the Romulus Hire-A-Kid project.

Mrs. McAnally also was a writer for The Detroit News and The Associated Newspapers.

"As a City Council member I identified irregularities in the Finance Department and worked to bring about proper budget procedures and to stop improper transfers and expenditures of tax dollars," Mrs. McAnally said.

In 1979, Mrs. McAnally ran for the Treasurer's Office to begin to correct the fiscal practices of the office and to bring the accounting procedures into compliance with the accepted standards and state law, she told her audience.

"I advocated the hiring of trained

professional staff people to provide the essential financial information required by the City Council," she added.

According to Mrs. McAnally, the city's cash accounts invested in interest bearing investments have earned more than \$2 million in additional revenue for the city.

"It was that revenue which enabled the city to survive a severe financial crisis without a serious reduction in services and reverse a \$785,000 deficit into a \$1,010,115 balance in the general fund according to the 1981 audit," Mrs. McAnally said.

In 1980 she chaired the cable television committee that drafted the

Huron sets budget hearing

The Huron Township Board of Trustees on Saturday voted to set a hearing for 4 p.m., Wed., March 30 on the township's proposed budget for the 1983-84 fiscal year. The proposed budget will face some revisions after the citizens agreed at the annual meeting to raise the salaries of the top three elected officials — the supervisor, clerk and treasurer — \$950 across the board.

In other action, the citizens of the township also agreed with board concurrence, to retain the ROMULUS ROMAN as the official newspaper of the township.

Kiwanis hold pancake feast

The Romulus Kiwanis Club will hold its annual Pancake & Craft Festival beginning at 7 a.m. until 7 p.m., Sat., April 23 at the Progressive Club Hall, 11580 Ozga Rd. at Five Points.

The proceeds from the annual project are donated to finance a dental program for indigent children, the Forney Clement Foundation (Children's Hospital) and other worthy projects.

Donations are \$3 and \$2 for adults and children, respectively. In order to reserve a booth, contact Sharon Henry at 941-9428.

Wick to host crafts' sales

Wick Elementary School will host its inaugural Flea & Craft Sale beginning at 10 a.m. until 3 p.m. on Sat., April 30 at the school, 36900 Wick Rd. in Romulus.

Those wishing to rent tables at \$10 per should telephone 941-2497.

There is an April 8 deadline to reserve a table, and further information may be obtained by telephoning 941-2497.

Blakely Drain fees must be paid

Courts order Romulus, Huron to pay assessments

The Blakely Drain has come back to haunt the City of Romulus and Huron Township.

A \$107,525.76 lawsuit settlement against Huron Township and the feasibility of paying it were discussed at the township meeting in New Boston last week.

The settlement is part of a million dollar-plus suit brought by Angelo Moreno and Associates. The firm was contracted by the Wayne Coun-

ty Drain Commissioner's Office in the '60s to do a study to clear and rebuild the Blakely and Brownston Creek.

The study took several years to complete but the project was then shelved. Moreno and Associates sued and the court finally ruled several years ago that the Wayne County Drain Commission and the drainage communities must pay.

The ruling was appealed by the

communities involved and the court now has ordered that each community will be assessed and pay its share.

Huron Township's share is \$107,525.76 with interest accruing at \$14.07 per day beginning April 1.

To pay it, the township is considering three alternatives:

- Levy a special assessment of 1.2 mills per 1000 of state equalized evaluation to cover interest up to

Sept. 15.

• Levy half the millage on the July tax roll and the balance on the December tax roll.

• Apply the settlement of another Drain Commission lawsuit that the township won, about \$35,000, and pay the balance by a levy of .8 mills per 1000.

The township is studying the possibilities.

In other business, Supt. A. J.

Haener reported he is looking into the possibilities of adjusting the water and sewer rate. He and board members have had several study sessions with the township consulting engineer and auditor.

Their intent is to make the rates reflect the current cost that Huron Township is paying to the Wayne County Board of Public Works for sewage disposal.

North, South war for funds

The 1983 Community Development Block Grant has suddenly turned into a North vs. South War.

And Councilman Barry Baumann, waving a flag of truce, wants to end the fight.

"It seems the people in the South Little League didn't understand a motion that I made that was approved by council last week," Baumann said. "Whatever monies is granted for the North Little League, South will also get its share."

What Baumann had done by council resolution and approval is to take \$5,000 of the proposed \$45,000 in CDBG funds earmarked for the Post Office and offer it to North Little League to help defray its costs.

South, understandably, was irritated. They are asking for Baumann's scalp.

"Some people in the South Little League heard that they weren't going to get any money," Baumann continued, "and they are angry. When they (South) come up with their plan and land for their league, we will match whatever we gave North."

Baumann said he feels confident that council will abide by that plan. "It's only fair," he said, "and I believe that we have the votes to amend the proposal before we send it to the county for approval."

With councilmen Jimmy Raspberry and Fred Junior Block absent from last week's proceedings, council voted 4-1 to approve the CDBG program with the Baumann resolution attached.

Romulus is scheduled to receive \$120,000 for its share of CDBG funds for 1983. After reviewing Patrick A. Hogan's proposal, council approved the entitlements as submitted by the Community Development Director.

Hogan's proposal called for \$12,000 for administration use; \$2,000 for land improvement and Farm-A-Lot programs; \$11,000 for minor Home Repairs; \$10,000 for Eager Beaver Project for the Blind; \$40,000 for Wayne Road widening and \$45,000 for the proposed Romulus Post Office.

Baumann's proposal snatched \$5,000 away from the Post Office for the North Little League.

Look who's here

Hippity-hopping across the lawns and streets this week, the Easter Bunny will make its appearances in many homes and colleges where he'll leave color-

ful eggs in corners and niches where children can find them. The annual "Easter Egg Hunt" is on. Don't miss the fun.

The hunt is on for Easter eggs

Although Wayne County Community College offers classes from accounting to welding to people from all walks of life, they were a little surprised when a rabbit hopped into their Western Center Administration Office last week.

Knowing that their animal technology laboratory was housed at the Downton Campus and that their Spring Semester Class Schedule did not offer basket weaving or egg coloring, the administrator wondered what the purpose of the rabbit's visit was.

She asked the rabbit how she could help him. He introduced himself as the Easter Bunny and asked if WC3 could help him arrange an "Easter Egg Hunt" on the College grounds for the children of Western Wayne County.

The College thought the idea was grand and as a result, a date has been set for Wednesday, March 30 from 4 to 6 p.m. at the Western Center.

The Easter Bunny will be returning at that time, with plenty of candy and prizes for the children. So after you read this, hop on over to the campus.

Police arrest three Romulus residents in Canton break-in

Canton police last week arrested five suspected burglars in two unrelated break-in attempts of Canton businesses.

Charged with breaking and entering into Rea's Auto Parts, 5760 Belleville Road, on March 16 were two brothers from Westland, Christopher J. Urban, 22, and Craig S. Urban, 20.

According to Lt. Dennis Joker of the Canton police, the suspects allegedly entered the yard by cutting a hole in the fence. A silent alarm was triggered when the building itself was penetrated, he said.

The brothers allegedly told the arresting officers that they had intended to take some auto batteries, Joker said. A pile of batteries was found in the yard, he added.

When the suspects were apprehended, it was noted that their faces had been blackened and that they were wearing camouflage-type army fatigues, Joker said.

The men were arraigned before 35th District Judge Dunbar Davis the same day and were freed on \$5,000 personal bonds. Their preliminary examinations are scheduled for today.

Charged with the attempted break-in of the Walter's Home Appliance shop at 39915 Michigan Ave., also on March 16, were Lawrence E. Luttman, 23; Peter J. Myers, 22, and Leonard J. DeRoch, 24. All three are Romulus residents.

Joker said that police were called to the scene by neighbors who reported a loud pounding sound. The suspects allegedly broke a hole through the rear wall of the building, and one was found to be carrying a blasting device, he said.

When the officers arrived, they thought the suspects were inside the store, but nothing could stop the talented nose of Nitro, a member of the department's K-9 corps, Joker said.

The dog picked up the scent of the accused burglars and led his handler, Officer Bill Keppen, to a field some 50 yards from the building, Joker said.

At the approach of Nitro, the three suspects surrendered to the officers, Joker said.

Arraigned last Thursday in 35th District Court, Myers and DeRoch

were released on \$2,000 personal bonds. Luttman, whom police say is wanted for a parole violation, is being held in Wayne County Jail in lieu of a \$2,000 cash surety bond.

The men face a preliminary examination on the attempted break-in charge on Monday.

Board petitions available

Prospective candidates for school boards have until April 11 to file their nominating petitions, according to school officials.

"At present no one has filed for the two available 4-year terms," said Dr. Elvin Peets, Superintendent of the Van Buren School District. "However, we're sure there are some citizens out there who are interested."

The two incumbents in Van Buren — Dolores Temple and Robert E. Cook — have not yet taken out filing petitions. Cook earlier had said that he may not run for re-election. The terms of office are for four years.

In the meantime, JoAnn Marvicsin, who serves as treasurer of the Romulus Community School Board, said yesterday that she "definitely will seek re-election."

Mrs. Marvicsin is completing her first 4-year term and had served a year prior to her re-election, filling a vacancy created by a recall.

School Board President James Pershing and board trustee William Manny will have to make up their minds soon if they plan to run for re-election. Pershing's and Manny's seats are up for grabs in the Huron School District.

The two terms are for 4 years each.

Citizens must return their filing petitions (with at least 20 signatures of eligible voters) to their respective board offices by the April 11 deadline in order to be eligible to run for office.

The school board election will be held the second Monday in June. This year that day falls on June 13.

FOOD FOR THOUGHT

By John Brimble

Chicken pieces dipped in melted butter, then rolled in seasoned crumbs, can "fry" in a 375° oven for an hour to beautiful crunchiness.

These are stuffed peppers — and then there are crisp peppers stuffed with cold blanched broccoli, carrot slices, pepper strips, and onion. Wow! Top with garlic cream dressing.

Nuts keep better in the shell, several months in the refrigerator, for years in the freezer. To crisp them, heat in a low oven.

Roll cakes should be rolled up while still warm, or they may break. (Unroll when cooled to fill with whipped cream or ice cream.)

Add homemade flavor to canned chicken broth. Simmer a half hour with onion, celery, and carrot.

You'll find homemade flavor — and homey hospitality, too — at

Chinese eatery claims neighbor is too noisy

By GENE MIERZEJEWSKI
ANP Staff Writer

To the owners of the Ming K Garden Restaurant in Canton's Harvard Square Shopping Center, no noise is good noise.

According to Sue Kwan, proprietor of the Chinese restaurant, the sounds of the folksinger who performs on weekends at the adjacent Cyprus Gardens Restaurant have given her customers upset stomachs.

"I don't want to make a fuss over the noise, but we're in business and our customers are picky about their surroundings," she said. "When they come here, they expect a quiet and peaceful meal."

That's not the case at all, says Steve Stylianou, owner of the family-style Greek restaurant. He contended that if the singer, who plays from 9 p.m. to 2 a.m. on Thursday through Saturday, performed any more softly, the restaurant's clientele couldn't hear him.

In any event, the battle of the ethnic eateries is falling into the lap of Wayne County Circuit Judge John D. O'Hair, before whom a hearing on the noise issue has been slated for 10 a.m. Friday.

McAnally announces candidacy for mayor

(Continued from Page 1) requirements, the ordinance, and the agreement for cable television for Romulus.

"While a company has been selected, the city still awaits cable service, three years after the committee was formed," she added. "We must begin to deal with the potential problems before they assume the monstrous size of the Water and Sewer contract payment fiasco. We have known for years that the accounting for and use of those funds was improper yet until I was elected treasurer and demanded reorganization of the manner in which accounts were designated, nothing was done to stop the improper practices," she said.

Mrs. McAnally stressed that the "number one priority of local government must be that of jobs and tax base.

If a third candidate doesn't step forward, Mrs. McAnally will face Mayor William Oakley in the Tues., Nov. 8 general election. A third candidate would force a primary that would be held on Monday, Sept. 12.

The group has elected Gary G. Bates, owner of Grass Roots and

a member of the township board of trustees, as its president, and selected Durrell Williams and Michael Banoura as first and second vice-presidents, respectively.

Among the objectives the local chamber has set include:

- The development, encouragement and promotion of professional, commercial, financial, industrial, agricultural, and general business interests of the Township of Huron;
- The preservation of the free enterprise system of business;

- The maintenance of high standards in all business and professional transactions;

- The encouragement of transportation and communication facility development; and

- The promotion of civic interests and the general welfare of the community.

For further information about chamber activities, businessmen and women and residents are urged to contact Marie T. Sidun, executive secretary of the chamber at 753-4574.

Court orders officials to pay Blakely fees

(Continued from Page 1)

The Board of Public Works has increased the rates three times in the past two-and-a-half years and Huron Township has a lawsuit pending in Circuit Court. The Township contends the rates have been arbitrarily set without consideration of expense to the citizen.

The rate, \$2,400 per one million gallons as opposed to roughly \$800 per million in other townships, is due in part to the inefficiency of the Flat Rock Treatment Plant, the township says. The plant is overloaded from handling more than one community, Flat Rock being the other.

In the last few rate increases, Huron Township rates were raised from \$1,250 to \$1,450 to \$2,200 per million gallons and on the first of this year to \$2,400.

Huron has refused every rate increase from \$1,250 and filed the lawsuit asking the courts to establish a uniform rate for all the plants operated by the county.

In the interim, the township has accrued a deficit close to \$120,000, and is contemplating passing on this deficit to the sewer user.

If this is done, the money will be held in escrow in the event the court rules against the township and must pay. If the court rules in favor, the money would be refunded to the sewer user.

In other matters, the Board approved unanimously the payment of bills amounting to \$100,162.76.

Following are the payments:

General Fund: \$47,464.21; Federal Projects Fund: \$6,075.89 (\$5,100 went to Wayne County Drain Commissioner for cleaning the hand drain and the balance went to the Romulus Health Center for Senior Citizens); Federal Revenue Sharing Fund: \$970.20, paid to Detroit Edison for street lights; Water and Sewer Fund: \$38,771.03 (\$19,878.98 paid to Detroit Water Board for the February water bill), (\$15,696.47 paid to the Wayne County Board of Public Works for sewage disposal fees).

The 1983 Block Grant Funds, totaling \$80,000, were also approved unanimously.

The funds are for the following items:

New Boston area: replacement and construction of sidewalks, \$4,000; cleaning of drains, \$9,000.

Middlebelt area: completion of park shelters and picnic tables, \$4,000; cleaning of drains, \$6,000.

Waltz-Willow area: second payment on fire truck, \$30,000; Romulus Help Center, \$2,000; Senior Citizens Coordinator, \$4,000; Drains, \$13,000.

Administration of Program, \$8,000.

Deputy Supervisor John Chihan made a report to the board seeking the approval of a \$7,500 park structure to be built by Block Grant Funds and a Land and Water Conservation Grant.

The structure would be built in Lajko Park on Huron River Drive by students of Huron High School, under supervision of a paid professional craftsman.

The open-roof facility, designed by the high school architectural design class, will have a barbecue pit and picnic tables.

The board approved 6-0.

Early in the Wednesday night meeting, a township resident, Doris Davis, asked Supt. Haener if he and the board had responded to a citizen request made to the office of State Senator William Faust for a state audit of township records.

Supt. Haener replied that he, Clerk Mary Lou Carey, and Treasurer Christine Gamber had approached the office of State Senator Faust regarding the request, made apparently by telephone.

Haener said at the meeting that the state is welcome to make an audit.

Whether an audit is to be done is to be determined.

An official audit of township records is done by a CPA firm once a year, at the end of each fiscal year.

'Give Someone a Job'

'I Care America' campaign picks up local support

"I Care America" got its stamp of approval from local officials last week.

"I have had some conversation with members of this organization," said Romulus Mayor William Oakley, "and it is my conclusion that the organization has some very worthwhile goals."

Mayor Oakley recommended and the council approved a resolution in support of the "I Care America's" efforts. The resolution urges businessmen and women to "Give Someone a Job" and "to organize and promote resources toward the achievement of full employment in the United States."

The idea is a simple one. If each businessman were to hire just one unemployed person, a staggering unemployment problem would become a thing of the past in the State of Michigan.

It was Charles Costa's idea, and he did hire three unemployed persons to work in his Paint Store in Detroit, even though he didn't need them. Then he started calling friends, owners of small businesses, encouraging them to do likewise.

That was four months ago, and since then Costa has, through cajoling and talking, found small businesses like bump shops and machine shops that have hired 300 unemployed persons.

He also has found support for his program, "I Care America, Give Someone a Job," in communities throughout the metropolitan area up to the President of the United States.

"We as businessmen owe our country," he explained in a visit recently to the City of Westland. "It's time to sow the seeds for a better tomorrow."

Costa has formed "I Care America" into a non-profit corporation and has been asking for the help of mayors through proclamations of support from Detroit area communities like Southfield, Dearborn Heights, Warren, Wayne and Westland.

He has found their enthusiasm "beyond comprehension."

"I Care" asks that a business hire someone for a minimum of three months. And for those unable to there's bumper stickers available for a donation. The money raised through their sales and through fund raisers like Sammy Davis' opening night at the Fisher Theater recently go to pay the wages of a newly hired person.

"I Care" has Costa as its chairman, although he maintains that the project is "not a Charles Costa program," and a celebrity-studded honorary national committee that includes Robert Goulet, Donald O'Connor, Louis Nye and Carol Lawrence. Local celebrities like Bob Allison, Barry ZeVan and Ted Anthony serve on its Board of Directors with the likes of Detroit Com-

mon Council President Erma Henderson and Earl Kreps of the Oakland County Chamber of Commerce.

"We're all in the same boat," Costa said, "and someone has got to do something. Everyone has to start pushing this truck that has broken down. It's a matter of thinking positive, period. If I wasn't thinking positive in the neighborhood of 300 people wouldn't be working today."

A native of Malta, but proud to be American, Costa is a firm believer in Americans, noting that "everybody would like to help somebody."

"A lot of people have forgotten about this country," he said. "It's great and it will remain great because of the attitude of its people."

"It embarrasses me to see articles in foreign papers, exaggerating about starvation. It's just a way of shaming us, but this country is wealthy. It's just the attitude that's changed."

Costa would like to get local Chambers of Commerce and clubs together "to pull together on the same rope" to help America, his campaign sweep through Westland last week earned a nod from the Westland Chamber, which will be surveying "I Care America" to see how it can be blended with its own Job Matching program.

Through Job Matching, the Chamber has been able to pair up 22 Westlanders with the businesses in the community in need of workers.

Fund raiser at Huron High

Students from both New Boston, Huron and Flat Rock are in the cast of Wyandotte Community Theatre's musical production "Li'l Abner".

Danielle and Jessie Havenstein are from Flat Rock High School and Tracy Neifert, Susan Blair and Tim Owens are from Huron High School. The production is being staged at the Huron High School Auditorium on April 8, 9 and 10.

Curtain time for the performances on Friday and Saturday, April 8 and 9, is 8:00 p.m. The Sunday performance on April 10 is at 3 p.m.

The Wyandotte Community Theatre Board of Governors agreed to bring their production of "Li'l Abner" to the Huron Auditorium for the specific purpose of raising funds for the restoration of the extracurricular programs in the Huron Schools.

For ticket information you may call 782-1505 Mon.-Thurs. from 8 a.m. thru 9:30 p.m. and Friday from 8 a.m. thru 4 p.m. If there is no answer you may call Mary McKinney, Ticket Chairman, at 654-6789.

Local educators receive honors

Two men who have been leaders in public schools of Wayne County for many years have been honored as the 1982 electees to the Michigan Educators Hall of Fame.

Dr. William Simmons, Superintendent of the Wayne County Intermediate School District, and the late Carl W. Morris, who died February 23, were elected to the Hall of Fame by a vote of member organizations of the Michigan Congress of School Administrator Associations.

Also elected was Kenneth Kistner, retired superintendent of the Fitzgerald School District in Macomb County.

All three were honored for "distinguished service to education and to mankind."

Mr. Morris was a member of the Romulus Board of Education for 35 years and a member of the Board of Education of the Wayne County Intermediate School District for 25 years. He was active in the Michigan Association of Schools Boards and was serving as president of the

islative committees in Lansing and Washington.

He was a life long resident of Romulus and the founder and board chairman of the Huron Valley Oil Company.

Simmons, who has spent his entire professional career in Wayne County, was a teacher and principal and later the superintendent of schools in the McCann District (now a part of Southgate) and Romulus. He was Deputy Superintendent for State and Federal Relations for the Detroit Public Schools when he was named to the county superintendency in 1972.

An acknowledged leader in securing state and federal funding for public education, Simmons is frequently called upon as an expert witness before legislative and congressional committees. President Carter chose him as one of 15 members serving on the national Advisory Panel on Financing Elementary and Secondary Education during the Carter administration.

Induction ceremonies for the Hall of Fame, which is located in the Michigan Association of Schools Boards building in Lansing, will be held at a dinner meeting on May 19 in Lansing.

Motion by Humphreys, supported by Hoffman, to accept the agenda. Motion carried unanimously.

4. Open Floor Discussion
B. Bradley registered a complaint regarding the Treasurer's Office requiring a self-addressed stamped envelope in order to receive a receipt of his paid tax bill. If this was at any time Board action, Mr. Bradley was asking the Board to have the motion rescinded.
D. Welch commented on the Proposed Rules he had prepared to be sent to DNR. Also would like to ask questions of the Attorney and Engineer.
Mrs. V. Drake asked the Board what could be done about the trash that is being dumped along the roads in Sumpter Township. Supervisor Reeves advised Mrs. Drake that the Board would increase its efforts to see what can be done as well as instruct the Police Department to keep an extra look out for anyone dumping trash along the road.
M. Kohut asked which drain projects are still pending and what the status is one the Head-Riggs Drain. Also asked to speak under the Engineer's Report.
Floor Discussion Closed.

5. Motion by Morgan, supported by Banotai, to approve the Regular Board Meeting Minutes of March 8, 1983 as published. Motion carried unanimously.

6. Treasurer's Report — Hoffman
In response to Mr. Bradley's complaint, Treasurer Hoffman stated the Treasurer's Office has new policy and will send a copy of a tax receipt to anyone that requests a copy. Postage paid by the Township.
Motion by Humphreys, supported by Morgan, to accept the Treasurer's Report for February 1983 as read. Motion carried unanimously.

7. Supervisor's Report — Reeves
The Sumpter Social Civic Club will be having an Easter Egg Hunt on April 2, 1983 for children up to 15 years of age from 1:30 P.M. to 3:30 P.M. For more information, contact Mr. Huziak.
The Van Buren Soccer Association is having a Kick-Off Dance March 26, 1983 at the P.N.A. Hall. Everyone is welcome.
Motion by Humphreys, supported by Huziak, to direct the Supervisor to contact the Wayne County Road Commission and see what can be done about getting signs posted, regarding the dumping of trash, in all parts of the Township, especially at the main entrances of the Township. Motion carried unanimously.
Motion by Hoffman, supported by Humphreys, to accept the Supervisor's Report. Motion carried unanimously.

8. Attorney's Report — Wechsler
Attorney Turnbull reported on the case of Rollins vs Sumpter. The case was dismissed March 18, 1983 at the 34th District Court.
Mr. Welch questioned if anyone had ever written the letter to DNR requesting that Mr. H. Humphreys comments be included in the reasons for rejecting the Hazardous Waste Application of City Sand & Landfill. Attorney has sent letter, but has not received a response.
Motion by Morgan, supported by Humphreys, to instruct the Attorney to make another effort and follow up with the demands that DNR include Mr. Humphreys reasons in the decision for the rejecting of the Hazardous Waste Application of City Sand & Landfill. Motion carried unanimously.
Motion by Humphreys, supported by Banotai, to accept the Attorney's Report. Motion carried unanimously.

9. Engineer's Report — Wilhelmi
One contract remains to be let out on Fire Station No. 1. Automatic Garage Door Openers. Recommended Ralph Zweng, Contractor who was the low bidder. \$43000 for sewer project

Belleville approves CD projects

The Belleville City Council approved projects for the second year of a three-year Housing and Urban Development (HUD) block grant program at last Monday's meeting.

The \$80,000 of the Community Development block grant program was designated for six different projects, including construction of a Fourth Street shop-

ping mall and a Sumpster Rd. bike path.

Both projects are scheduled to get off the ground this year. \$15,000 has been designated for the Fourth Street mall, and \$6,200 for the bike path on Sumpster Road in the Davis to Owen areas.

Other projects budgeted include:

- Sewer Separation Program, \$43,000.
- Park Equipment, \$4,000

- Fire Hall modifications, \$3,000

- Minor Home Repair Program, \$800

- \$8,000 in administrative funds was also approved.

In other actions, the council:

- 1- Approved a resolution to support the Downriver Facility Plan, providing for repairs and improvements in the downriver sewer system.

- 2- Supported a Chamber of Commerce request for closing of several downtown streets during the June 18-19 Strawberry Festival.

- 3- Designated \$315 to send police officer Richard Wall to a week-long Firearms Instruction School in Lansing, so he can instruct other police staff.

- 4- Supported a Mutual Fire Aid Agreement with Washtenaw County.

- 5- Approved a \$700

fee for summer tax collections for Van Buren Township schools. The fee would cover administrative costs and postage.

The Council also agreed to table for further budget review a Van Buren Township request for \$2,500 to help cover the cost of a Senior Service Center.

Present were Council Members Burma Wertz, Robert Tontalo, and Donald Carlson, and Mayor Justin Emerson. All resolutions were passed unanimously.

Commissioners OK reorganization plan

The plan for reorganization of Wayne County government is complete, more than three months earlier than provided for in the new county charter.

A revised but final plan submitted by County Executive William Lucas (CEO) was adopted by the County Commission on March 24. According to the charter, Lucas had 90 days from Jan. 1 to submit a plan, and the Commission had 90 days thereafter for its approval and rejection, a procedure which would have lasted through June.

Earlier this month the Commission rejected Lucas' original plan, pending a report on cost estimates which was provided last week when the plan was approved by a vote of 14-1. Under the charter, the Commission was not allowed to revise the plan, but was permitted only to approve or reject.

County Commission Chairman William G. Suzore said adoption of the plan which has been under deliberation for almost three months "clears the decks for other business of the County."

Essentially, the plans calls for reduction of County departments from 22 to six, elimination of several other County boards and commissions, and establishment of two line offices, each headed by an Assis-

tant County Executive.

The one line office would be an Office of Health and Community Services encompassing the County General Hospital, Medical Examiner, Cooperative Extension Service, Department of Health and divisions responsible for air pollution and respiratory disease control.

The other line agency, an Office of Public Services, would consolidate Road Commission services, the Drain Commission and Department of Public Works under one authority, but this part of the plan needs charter amendments through voter approval to take effect. In the plan is provision for winning voter approval necessary to eliminate the Office of Drain Commissioner and the

three-member Board of Road Commissioners.

Lucas when first taking office tried to dismiss the road commissioners presently serving, and in fact named his own appointees, but the attempt was disputed and is being considered in Circuit Court. The case is expected to be heard next month.

Other aspects of the reorganization plan would:

- Create a Department of Management and Budget, headed by a chief financial officer and responsible for administering County finances, preparation of the budget, purchasing services and property assessment.
- Establish a Department of Human Resources with responsibility for personnel and labor relations, including civil

service management and equal opportunity coordination.

- Form a Department of Information Processing in charge of development and

application of advanced technical information systems countywide.

- Restructure the Office of Corporation-Counsel handling all

legal services to County departments and agencies, and human relations activity relating to contract compliance and discriminatory practices.

Local realtor earns seat on national real estate exchange

Marilyn Moore of Romulus has been granted a seat on the largest nationwide real estate exchange floor in the world where over \$2 billion in properties from all over the country will be exchanged tax free, or sold during the 5 day event. Such dream properties as an island in the tropics, an English castle, shopping centers, office buildings, businesses, hotels, homes and ranches from all over the United States (and elsewhere) were sold or exchanged on the trading floor last year.

Mrs. Moore is hoping to generate national interest in Romulus, an area she feels is ready, willing and able for progress and development. The marketing event and educational session sponsored by Creative Real Estate Magazine will take place at the 11th Annual Creative Real Estate EXPO '83 held at Caesars Palace, Las Vegas, Nevada from March 20 through March 25.

"Tax-free exchanging enables investors to trade properties they no longer want to own for other properties they want, without having to pay tax on the gains, but you must have a thorough knowledge of the tax laws," warns Mrs. Moore. A network of over 2000 local real estate trading floors now operates throughout the United States, according to A.D. Kessler, Ph.D., author of 'A Fortune At Your Feet,' Chairman and Publisher of Creative Real Estate Magazine, the national monthly publication considered 'the voice of Creative Real Estate'.

"EXPO is the central meeting place to exchange on a regional, national and international basis," says Mrs. Moore. Some of the topics to be featured at the educational sessions include syndication and equity sharing, options, nothing down selling, time-sharing and creative wealth. For further information on tax-free exchanging and EXPO, contact Creative Real Estate magazine, Box 2446, Leucadia, CA 92024, (619)438-2446.

Beyer picks chief of staff

The new chief of staff at Beyer Memorial Hospital is Alex E. Moyyad, M.D., elected along with other medical staff officers to a two year term.

Dr. Moyyad is a specialist in internal medicine and practices in Ypsilanti. He has been on active staff since 1969 and served as chief of the Department of Medicine from 1976 to 1978.

Elected vice-chief of staff was Donald Dimcheff, M.D. Dr. Dimcheff specializes in internal and pulmonary medicine. The Ypsilanti based physician was granted staff membership in 1975.

The newly elected secretary-treasurer is Thomas Weimert, M.D., an Ypsilanti specialist in otolaryngology (ear, nose, and throat). Dr. Weimert has been on staff since April of 1979.

The physicians at Beyer elect new medical officers every two years. The officers administer clinical, business and professional matters as they relate to the medical staff. Currently there are 86 physicians on active staff at Beyer.

Wick's balloons cross U.S. in quest of pen pals, prizes

"All of us at Wick Elementary have high hopes that we'll win this year's Great Balloon Race," said Richard A. Goode, Principal of Wick Elementary in Romulus. "This week the youngsters began receiving messages from all across the country."

The message cards were attached to helium-filled balloons launched at the school on March 23 as part of Weekly Reader's

annual Great Balloon Race. The race is part of the Writing Pals program sponsored by Weekly Reader, the children's newspaper. Goode pointed out that Wick is eligible to receive a first prize of \$500 awarded by Weekly Reader to the school that submits the message which has traveled the farthest distance. One hundred runner-up prizes will be awarded also.

An estimated half million balloons, provided free by Weekly Reader, were released all across the country during the first week of spring as the climax of Weekly Reader's Writing Pals program. The program is designed to motivate children to write to, and to become familiar with, students in other parts of the country.

"All the kids at Wick — and teachers too — are keeping their fingers crossed that one of their balloons will fly the farthest," added Goode. "Whether or not we win, we will remain grateful to the Wick School PTA for their help in purchasing the helium needed to get this adventurous project 'off the ground,'" he said.

Regular dental care will PREVENT pain by keeping your mouth healthy. NOT going to the dentist will set you up — not for anxiety — but for a possible tooth loss accompanied by the pain you could have avoided in the first place. If you have any anxiety, talk to your dentist about it and everything will be done to make sure you're comfortable. Don't neglect needed dental care because of unwarranted anxiety.

The race is on

These students at Wick Elementary School in Romulus are getting ready to launch their helium-filled balloons which they hope will carry their messages across the United States.

Views On Dental Health

By PHILIP MEIZELS, D.D.S.

OVERCOMING ANXIETY

There are a lot of people who will not fly because they have an extreme anxiety or fear of flying. Let's face it, a lot of people do not get needed dental care because they too, have anxiety about the dental chair. It is estimated that 10 to 12 million people won't go to the dentist for necessary dental work strictly because of this anxiety.

When you think about it, the concept is ludicrous. Dental care in today's modern dental office is virtually without real pain. If you want some REAL pain, experience a toothache from a root abscess and DON'T go to a dentist for relief. That's not anxiety. That's pain.

A public service to promote better dental health. From the office of PHILIP MEIZELS, D.D.S., 9840 Haggerty Rd., Belleville. Phone 697-4400.

Owens enlists in Air Force

Timothy S. Owens, 19, son of Mr. and Mrs. John Owens, 28538 Halecreek, Romulus, enlisted in the U.S. Air Force today, departing here for six weeks basic training at Lackland Air Force Base, Tex.

Following completion of basic, says his recruiter, Staff Sergeant Dominic Bailey, 28233 Ford Rd., Garden City, Owens has been guaranteed training as a corrosion control specialist. Bailey added that the 1981 graduate of Romulus High School will receive college credit for his Air Force training through the Community College of the Air Force.

Upon graduation from technical training school, Owens will be

assigned to an Air Force duty station.

Pvt. Michael J. Beekman, son of Carol A. Roussey of 24187 Merriam Road, New Boston, has graduated as an armor crewman at the U.S. Army Armor School, Fort Knox, Ky.

The training was conducted under the one station unit training (OSUT) program, which combines basic combat training and advanced individual training into one 13-week period.

During the course, students received training in the duties of a tank crewman, including firing the tank's armament and small

weapons. Instruction was also given in field radio operations, map reading, and tank maintenance and repair.

He is a 1982 graduate of Huron High School.

Gregory A. Gootee, 17, son of James and Rosalie Gootee, 28731 West Road, New Boston, will enlist in the U.S. Air Force upon completion of school this June. His basic training will be at Lackland Air Force Base near San Antonio, Texas.

Under the Delayed Enlistment Program, Gregory is guaranteed his departure date and job choice. His time in the Reserves will count

toward his longevity pay. Greg is presently attending Huron High School and will graduate in June.

For more information about enlistment in the United States Air Force, contact Technical Sergeant Ed Lehmann, 3645 Metro Place Mall, Wayne; phone 326-8080.

Airman Steven D. Hassett, son of Dale E. and Betty J. Hassett of 45948 Bontekoe, Belleville has been assigned to Corry Field, Fla., after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree in applied science through the Community College of the Air Force.

The airman will now receive specialized training in the intelligence field.

He is a 1982 graduate of Belleville High School.

Nature walk at Oakwoods

"The Long and the Short of It", a family nature walk, will be held 2 p.m. at the Nature Center of Oakwoods Metropark near Flat Rock on Sunday, April 10.

Naturalist Gerry Wykes will conduct a two-hour nature hike to help participants enjoy nature. He will use a variety of tools such as a biltmore stick, increment border, soil auger and other methods to tell the height or age of a tree. Other aspects of nature will also be explained.

This program is "free", however, advance registration is required.

For information/registration — contact the Nature Center at Oakwoods Metropark Phone 697-9181 (Belleville).

Area students receive U of M honors

Among the 3,534 University of Michigan students on the Ann Arbor campus who were recognized at the university's annual Honors Convocation last week were five area residents.

Belleville's John Burke Price was awarded the Branstrom Prize for his accomplishments in the field of

engineering, while other Belleville residents who received class honors included Victoria Lucarell Cadagin (nursing) and Sandra Joy Washburn (College of Literature).

Romulus resident, Marilyn K. Mann, also earned a degree in literature.

Barbara Mary Griffin of Inkster

was named an Angell Scholar for her studies in the College of Literature of Science and the Arts. She was one of 486 students named for the James B. Angell Award, an honor that requires a student to maintain an all-A record for two or more consecutive terms as undergraduates.

our opinions

Easter of 1983... A time for change

If ever mankind needed a man of peace, it is now. When the President is debating and urging us to invest in multi-billion dollar weaponry to prepare for what this administration apparently believes is an inevitable attack by the Soviets; with the Soviet invasion of Afghanistan still in the limelight; with wars in almost every part of the globe, His brief stay and mission apparently has been forgotten.

Man has never known peace.

Since that first man drew a line and claimed this land or that lake as his, war has been inevitable.

And, ironically, in a world that is filled with all the resources to solve hunger and pain, there appears to be more pain and hunger than ever.

Easter, 1983.

Governments and people having different philosophies and ideologies need not use the sword to get their points across. There is enough room here on Earth and in outer space for five, ten, and fifty times the population of the earth.

That is, if we decide to live in peace.

Change, as He has shown, can be effective without the sword. With the cross and with hope and understanding. It is possible to exist, and be happy, and to work if we all work toward those goals.

And let that be the message to all of us on this Easter in the year 1983 A.D.

A well-deserved retirement for Ford

In her own soft-spoken way, Geneva Ford managed to serve the people of Wayne for over two decades. And, working with the public on a daily basis, there was, no doubt, plenty to complain about.

But the Wayne City Clerk wasn't a complainer. She did her work, and she did it well, earning the respect and admiration of all who came in contact with her.

She exhibited a calmness and eloquence about her that few in public life can equal. And, although she is the first to deny it, she was a workhorse for a municipal government that runs smoothly and capably; thanks, in large part, to her presence.

Mrs. Ford has decided to retire after 23 years of municipal service. She turned 60 last Saturday and, like most of us, "wants to enjoy life."

GENEVA FORD

"And I'm not going to attend another meeting again," she quips.

Those of us who are charged with attending municipal and township meeting understand her statement well. Though some meetings can be tremendously informative and interesting, most are like reruns with only the characters changing.

Mrs. Ford, the mother of two daughters and a son who was killed in the Vietnam Conflict, will be remembered as the epitome of the elected official.

There are many who have learned from her and have attempted to emulate her performance.

She is indeed a rare person.

She knew her job, and did it well-and, in the final analysis, how many of us can say the same?

The battle of Westland

Why is the current Westland City Council prone to ignore certain segments of the community?

The Council recently ignored the City Administration when the Planning Department recommended denial of the petition of Mr. Anthony Morraco to rezone single family residential land for use as a repair garage adjacent to single family residences on Cooley Street.

The Council ignored the unanimous recommendation of denial from the Westland Planning Commission which was based on the intrusion of intensive Commercial Zoning into the residential neighborhood. In the opinion of the Planning Commission this intrusion could potentially be detrimental to the character of homes in the area.

The Council ignored the Citizens who submitted petitions and personally appeared before the City Council protesting and opposing the change in zoning. No one questioned the ability of Mr. Morraco.

He has for many years provided quality service to his customers. The success of his business can be measured by the number of private vehicles and Nankin Transit buses parked at his locations waiting for repair.

Hopefully, when he builds his new garage he will not vacate the one he is currently in, and leave the City with another boarded-up building on Wayne Road.

One individual who was not ignored by the Council was the petitioner's representative, Mr.

Harold Rosin, who is a long time political supporter of many of the current Council Members.

There must be a reason why the City Council would ignore the City Administration, the Planning Commission and the citizens directly affected by the rezoning. There must be a reason why the City Council based their judgment solely on Mr. Rosin's presentation when the consequences could be so grave.

Could this decision to rezone residential property to commercial have been based on politics rather than on sound planning policies?

Was Mr. Rosin given any special considerations? Is there any underlying connection between the petitioner, Nankin Transit, Mr. Harold Rosin, and the City Council?

These are questions that citizens should ask those Councilmen seeking reelection this fall. Maybe in the fall those who were ignored in the spring will have a better chance of getting the City Council to respond in a positive manner.

It is obvious that the City Council has been engaging in political harassment in its dealings with Mayor Pickering since his election.

Could this rezoning be just another conflict that the City Council is trying to create? If so, it is at the expense of the citizens.

From a planning standpoint, there was no logical rationale to approve the rezoning. There must be another reason.

On state income tax hike

The temporary income tax bill approved by the Legislature is a vast improvement over the permanent tax increase proposed by the governor.

The measure we approved, in combination with another quarter-billion dollars in budget cuts, solves the state's terrible budget crisis.

But, unlike the Governor's proposal, the bill absolutely guarantees that the tax is temporary. No matter what happens, the tax will begin to go down next January 1st, and will be reduced again a year later.

And if the economic recovery comes faster than we expect, the tax will roll back at a faster rate.

The measure sent to the Governor ties elimination of the temporary tax to reductions in the unemployment rate. For every one-half (.5) percent reduction in the unemployment rate below 14.5 percent, the tax rate is reduced by one-tenth of a percent.

For example, if unemployment fell to 13 percent, the tax would be rolled back three-tenths of a percent.

More importantly, no matter what happens to the unemployment rate the bill guarantees that the tax will be reduced by .25 percent next January 1st, and by an additional three-quarters of a percent in 1985.

And, if we experience a strong recovery, the bill provides that the tax will be reduced even further — it could go as low as 3.9% (from the present 4.6 percent) if unemployment drops to four percent.

This isn't a popular piece of legislation, but it is absolutely vital to the economic future of Michigan. We have cut, and cut again, to the point where state government has been reduced by more than 20 percent. And even with this temporary tax another \$225 million must be cut out of education, public health and every other state program.

It is an emergency situation requiring drastic action. The bill finally enacted recognizes the emergency, and also recognizes that the emergency response is temporary and fair.

Remembering a newspaper woman

Tom Mooradian
Managing Editor

She was a dynamic woman who generated enthusiasm and energy with her presence.

And, the closer it got to deadline, the more four-letter words spewed from her mouth. She was probably the more four-letter words spewed for who could swear with eloquence and, in one stroke, make you feel you were still a "cub reporter".

She was personified by Mrs. Pinchon, the make-believe publisher of the real-live "Trib". I was definitely no Lou Grant, especially when she was around.

Marguerite "Marge" Webster, once reporter for The Associated Newspapers and one-time editor of The Ledger Star, died last week of cancer in Sarasota, Florida, where she had retreated to fight the disease and live out her final role in life.

Oh, how I loved to watch her batter would-be politicians who knew it all. She would beat them up verbally until they would surrender to her superior knowledge.

Her "Unabridged Column" would rake politician, police and those who believed that the Press could be appeased; that the power of the Fourth Estate was a myth; and that reporters were the servants of the politicians.

Mrs. Webster bolted from the mainstream and started her own newspaper, The Dearborn Heights Leader. The Leader's first edition rolled off the presses on March 22, 1962 and the tabloid form grew from a 20-pager to one of the best weeklies in the state.

Mrs. Webster invited me to join her editorial staff in 1965 as a general assignment reporter. I had the (mis) fortune of covering the police beat and council meetings when John Canfield and his followers decided that the township should, in fact, become a city. Mrs. Webster's editorials supported that stand and, after years of frustration and court battles, the Heights became a reality.

"I don't care what you do, where you are and who you sleep with," she would tell her editorial staff, "but I will not tolerate any one missing a deadline.

"When you call me, you better be dead if you're not here when we make up this paper."

Mrs. Webster, until stricken with cancer, didn't miss a deadline for more than 15 years.

"Great people are not complainers," she would say. "They get the job done, and that's all there is to it."

There was something beautifully outrageous about this woman.

When she discovered I was an eligible bachelor, she became "the matchmaker".

Suddenly I found myself standing in front of Mayor Canfield with my bride-to-be, Janice Marie, and Mrs. Webster as "the maid of honor" and her husband, Roy, as my best man.

When I tried to squirm out of the ceremony, Mrs. Webster just smiled and said "It'll be over in a few seconds. It won't hurt you.

"And, by the way, people like you don't deserve to be single."

That was Marge Webster. The "Mrs. Pinchon" of our business.

She's gone, and obviously never to be forgotten. There'll be a memorial service at 2 p.m., April 10 at the Santeu Funeral Home in Garden City.

"Yes, Marge, I know that's the place where the plane crashed some years ago and you told me I better get my --- over there to get the story."

Continuing Canton saga

EDITOR — As recent employees of Canton Township's Treasurer's Department, we wish to express our concern about certain occurrences in the Township Building pertaining to our recent employment there.

Our jobs were terminated as of March 16, 1983. Despite only a few weeks of work left of the current tax season.

We were hired on as full-time temporaries, and, as our 120 days were over, we were terminated, in spite of our employer Maria Sterlini's steadfast requests for the clerical union to extend our time of stay.

If this all seems to smack of petty and spiteful internal power struggles in the township building, you're getting the picture.

As non-union employees, from the very first day of work, we were ignored or given the "cold shoulder"; sarcastic and snide remarks were made within earshot; and all of us were generally shown hostility for the entire length of our stay from union employees in every other department in the building.

No one in the township offices, except Maria Sterlini, the directors of the planning department, and the police department made us feel welcome or seemed genuinely pleased that we were working there.

We ourselves all got along extremely well together and with Ms. Sterlini, who was extremely considerate, compassionate, and kind to us our entire stay. We all had an excellent rapport with her and a nicer "boss" couldn't be found anywhere, or for that matter, a nicer person.

As for some members of the

Ms. Sterlini went out of her way to extend our time of stay and obtain a raise for us, all to no avail. Her repeated attempts at communicating with the supervisor and the clerical union failed.

No one, it would seem, tried to cooperate with her, or really cared regarding the best interests of her department. How logical or intelligent is it for a union to terminate six tax aides, two or three weeks before their work is completed, thereby forcing the employer to hire completely new people to finish the job?

other township offices, they should be heartily ashamed of themselves and how unkindly they treated us. It only reflected badly on themselves. They did their best to humiliate and alienate us, but they did not succeed. They failed so miserably in fact that we're willing to come back and work with Ms. Sterlini for the next season.

We feel she has been unjustly and maliciously maligned and humiliated in the local papers and at township board meetings ad nauseam. It's about time she was applauded for all the money she has brought to this township regarding her wise investing of taxes and other township revenues.

Here's to an exceptionally intelligent, courageous, warm, and wonderful woman named Maria Sterlini whom we have grown to love and admire very much. Our praise is well-deserved.

What letter, Mr. DeFranseca?

EDITOR — In the March 17 edition of the Associated Newspapers there is a letter to the editor from Joseph DeFrancesca of Belleville.

In that public letter, Mr. DeFrancesca indicates that Senator William Faust "never answers" letters.

I have checked my mail log

since January 1, 1980, and not once during that period has Mr. DeFrancesca contacted my office by phone or by mail.

Every citizen is entitled to their viewpoint, but every citizen should attempt to relate the truth.

I hope you will correct any misimpression that the letter created.

Young photographer deserves credit

EDITOR — In your March 24 issue of The Associated Newspapers, you had some excellent photos of the Wayne Girls' Volleyball State Champions.

Anyone looking at those photos would think that they were taken by the photographer. The majority of them were taken by a 15-year-old member of the photography club and student at Wayne Memorial High School.

I think it was unjust of your newspaper not to even mention his name. This young man does excellent work and I understand that he even does a lot of his own developing.

With the mention of his name under his photos it might mean a paying job or just the satisfaction for him of a job well done.

He puts a lot of time and energy into his work, not to mention the cost of the film. Someday he might be a famous photographer so how about a little encouragement from the local establish-

ment? Let's give credit where credit is due. Keep up the good work, Todd Martel of Wayne.

Layoff for 'political reasons'?

EDITOR — Mayor Charles Pickering's statements in the Associated Newspapers of March 24 accusing City Council's action of a hiring freeze to be "political harassment" is quiet humorous to me.

He also states that "we are understaffed in all departments and services are being affected", and "if we do not fill vacancies, it only compounds the problem."

I am a State Certified Level II Appraiser and a city employee for 13 years, and the administration allowed an UNQUALIFIED person to fill my position.

This administration admittedly laid me off for "political" reasons.

Why didn't the Mayor allow me to fill the "vacant" position in the Planning Department after I was interviewed and qualified by the Planning Director and told to report to work the following day?

The Mayor is not only contradicting himself, but he is also accusing the Council of something for which he is GUILTY!

However, I do agree with the mayor on one point... He should take all of this "personally," since it was his idea in the first place.

The Force

*The treasure of existence
Is the force that lives within.
A jet of fire to burn the heart
Or a flame to warm the skin.*

*What is in life that drives some
To explore in all directions?
Or in innocence we idle by
To be thrust in violation.*

*We have the choice to use this force
As circumstance prevails.
Though gradually along the way
Uncertainty assails.*

*The force of life is strongest
In the spirit of the free.
Challenge is adventure's
Prime necessity.*

*We may end our day in victory
With great fortune as our share,
Or sink in dismal poverty
In the ocean of despair.*

*The force of life is stronger
Than those who ride it high.
The glory's in pursuing
As the gallant live and die.*

*To deny the right to challenge
Each opportunity,
Is to live in deep regret
When the past is all you see.*

Kids are really funny

HEMET, CALIFORNIA — A group of my sister's friends were sitting around, after having had a fantastic lunch prepared by Millie, the stepmother of Abby Dalton, the TV star, and we were talking about how funny kids were.

Well, we were talking about how funny kids were, and how they are often saying one thing and we are thinking something else, and the way we

A word for commercials

Last week some of the people who make commercials got together in Detroit for a seminar on creativity.

These were people from some of the biggies: ad agencies like W.B. Doner, Young and Rubicam, Ross Roy, etc.

If what they say is true (as reported by Betsy Hansell in the Free Press), things are on the brink of change in the ad business.

It looks like I may even be able to wander within hearing range of commercials someday without screaming and/or chewing my fist.

I hate commercials. I despise commercials. If there is a stronger word than either "hate" or "despise", when I find it I'll apply that word to commercials, too.

I hate commercials so much that I work hard at not allowing myself to be influenced by their jabber.

When "Ring around the collar" became Wisk's bywords, I used up the last red bottle, threw it out, and never bought another one.

If I ever buy another car, it won't be from a dealer who holds up placards and screams numbers at me.

After the blitz of nauseating nose-blowers this winter, ("Min-

react... and the way they react.

I told the story of my little boy who had been invited to the neighbor's house to watch her give her baby girl a bath. I thought that was mighty sweet of her to be so thoughtful, but she said she was doing it because she knew my kid needed to know a few facts of life, since the afternoon before he had asked her five year old daughter to raise her skirt so he could see.

Naturally, I was horrified as any mother is her right mind would be, and I rushed in to the bathroom where my little kid was taking a bath with his little

sister, and I asked him if he had asked 'Nancy' (the little girl next door) to raise her skirt so he could see, and he said, "Yep."

And I shrieked "Why?" And he poured some water over his sister and answered, "Cause she said she had her bathing suit on under her dress."

You see what I mean?

That reminded one of the women of the little kid in her Sunday School class. She had asked the kids if any of them knew any of the ten commandments, and most of them responded, quoting a commandment that they remembered.

neapolis colds are rotten") advertised cold remedies are off my list forever.

And I'm buying no-brand trash bags now, for fear I might, by accident, pick up the brand that guy uses who whines, "Don't break!"

Do the people who make up those ads think we're total, mindless idiots?

Do they think that because we're watching television at all, they have to approach us like the mushbrains we must be?

At that seminar, Dick Johnson, executive creative director for Batton, Barton, Durstine & Osborne, said, "A lot of the advertising, if it were a person, I wouldn't even shake hands with it. It would be a loathsome human being... You're never going to get there by being louder or crazier or assuming a certain level of stupidity..."

Oh, Bless you and Bravo and Hallelujah, Mr. Johnson. But will anybody listen to you? Will you be able to produce the kind of advertising you believe people really want? Will you even have a job next week?

There are reasons, the seminar attendees say, why advertising is as it is: Fear is the number one reason. It takes a lot of courage to abandon the tried-and-true (and repetitive) ads for new

and clever and possibly unsuccessful ads.

Another reason why ads are repetitive and boring, they say, is because there is always a middle man between the creators of an ad and the client. The account exec spends a lot of time wandering back and forth between the two, presenting ideas and then objections and then ideas again, until its watered down into a safe, dependable, boring, product.

But that's not the worst part, the ad people say. The worst possible thing is when the client wants to run the show — wants to help create and mold the ad with only a vague idea in his head, with no thought to what the consumer really wants.

"If the client's ready to sign the check for \$10 million, you're going to let him play in the sandbox, like it or not," one adman said.

The local commercials, I can only groan, are the worst. Everyone wants to be Ollie Fretter. Every owner of every company wants to get into the act.

With all the talented, out-of-work actors and actresses in this area, would it really cost that much more to put someone in front of the camera who knows what he or she is doing?

Call me silly, but if someone

JOYCE HAGELTHORN

And then one little kid raised his hand and said he knew one. "All right, Bobby," she said. "Tell us your commandment."

And he took a deep breath and stood up facing the class.

"I think this is the tenth commandment," he told them.

"All right, Bobby," she urged. Taking another deep breath he said, "Thou shalt not uncover thy neighbor's wife!"

MONA GRIGG

wants the world to think he has a quality product, I should think the way he presents that quality product ought to be a quality effort, too.

Would I buy a car, for example, from Mel Farr, Superstar, when, in his own slipshod commercial he and his pal, Lem Barney, fly through the air, make a turn, and — Good Grief — the entire lower halves of their bodies are missing?

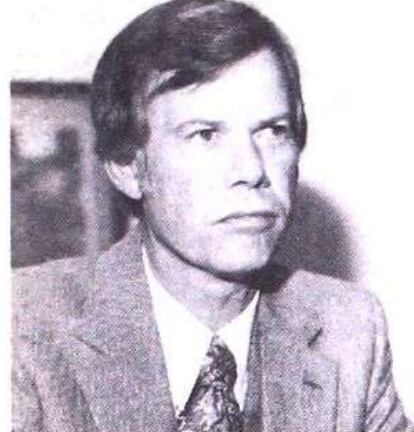

While I have to admit, that's an attention-getter, I have to also admit that I would have a hard time buying a car from someone who would allow such a blunder in the first place, let alone allow it to be aired week after week like that.

I hope Dick Johnson is right about commercials having to get better. I hope somebody was listening when he said, "You're never going to get there by... assuming a certain level of stupidity."

And while I'm waiting for somebody to listen, I'll go on hating and despising commercials... until I come up with a better word.

Rotary to sponsor Farmers' Night

Dr. Jon Bartholic

The Annual Farmers' Night program will be presented by the Belleville Rotary Club on Tuesday, April 5, at 6 p.m. in the Belleville United Methodist Church Fellowship Hall. Area farmers are invited to meet with Rotarians and governmental officials for dinner and an educational program annually. This

year's program will feature Dr. Jon Bartholic, Associate Director of the Michigan Agriculture Experiment Station and Chairman, Department of Resource Development, Michigan State University.

Dr. Bartholic is a national authority on climate and agriculture and

in addition is the Michigan State University Director of the Center for Remote Sensing and the Institute for Water Research.

In keeping with the need to involve Agriculture in the computer age he sits on the Board of Directors of the North Central Computer In-

stitute. He has been a consultant for the Institute for Defense Analyses, Arlington, Virginia, on the effects of climatic change on agriculture productivity. His professional career covers assignments at South Dakota State University; the Institute of Food and Agriculture Sciences, University of Florida; United

States Department of Agriculture Research Service, Texas, as well as at Michigan State University.

Dr. Bartholic will discuss the "Latest Developments and Trends in Agriculture and Natural Resources". Local arrangements are being made by Don Juchartz, Michigan State University Extension Agriculture Agent for Wayne County and Southeast Michigan, and Keith Bruder, Bruder Landscaping, Belleville.

Health-O-Rama offers seniors free check-ups

Belleville and Van Buren Township area residents can take a first step to protect

their health by attending Project Health-O-Rama, April 16 at Beyer Memorial Hos-

pital. Project Health-O-Rama, co-sponsored by WXYZ-TV, Blue

Cross/Blue Shield of Michigan and the United Health Organization, is an annual free

health screening for persons 18 years of age or older. The Beyer screen-

ing will be held from 12:30-4:30 p.m. at the hospital, 135 S. Prospect in Ypsilanti.

The screening will offer an assortment of free tests including, height/weight, blood pressure, vision and hearing, and glaucoma. There will be a \$7 fee for blood tests. Also available will be health hazard appraisals, health history check, counseling and referral.

The screenings are part of a growing "wellness" movement in health care, a philosophy that stresses early detection and prevention of illness. The Health-O-Rama tests are designed to

detect disease in its first stages so that early treatment can help prevent serious illness. The screening tests search for high blood pressure, diabetes, liver disease, sight loss, glaucoma, kidney disease and other conditions.

"We are eager to participate in the Health-O-Rama this year," said William Sherman, Beyer assistant administrator, "Even allowing for the \$7 blood test fee, our screening offers between \$75 and \$150 worth of free health tests. It's an excellent opportunity for people to safeguard their health."

Good Friday services set

The Belleville United Presbyterian Church, located at 11900 Belleville Rd.,

will hold Good Friday Services at the Belleville United Methodist Church, 417 Charles

St., from 12:30 p.m. to 1:30 p.m. The sermon will be given by the Reverend

Kurt Freund. Easter Sunday Sunrise Service will be conducted by the

Youth Group at 6:30 a.m. in the Christian Education Building. There will be readings and songs by the Youth Choir. They will tell the story of Christ's Crucifixion and Resurrection.

Refreshments will be served. Church services will be held at 10:30 a.m. Future plans of the Youth Group include a Pew and Pizza Party. They wash the pews and than eat pizza. They also plan to make and sell a cookbook of favorite recipes collected from the congregation.

'The Third Day'

The Bethany Baptist Choir of Belleville will present Michael Park's Cantata "The Third Day" on Sat. April 2 and Sun. April 3 at 7 p.m.

The production will feature colored slides of biblical scenes corresponding with each musical selection. Soloists for both concerts are Kathy Baldwin and Bryan Losen. The orchestrated sound system will be operated by Kevin Losen.

"The Third Day" are some of the important events of Christ's last week — his triumphant entrance into Jerusalem; the quiet intimacy of the Upper Room; the touching scene of Joseph's requesting the crucified body of Our Lord; and the spell-binding moment of his resurrec-

tion. Bethany Baptist Church is located at 810 E. Huron River Drive near the east city limits of Belleville. There is no admission charge and the public is extended a cordial invitation by Pastor John Losen and the congregation.

Flood protection meeting scheduled

The Corps of Engineers, Detroit District, is conducting a public workshop concerning flood protection within the Ecoresse Creek drainage basin,

at 7:30 p.m., today (March 30) at Kennedy High School, 13505 Pine Street, Taylor. The general public is urged to attend.

The workshop marks the completion of the district's reconnaissance study of the area, which indicated that further studies are warranted.

Go fly a kite

A "Kite Making Workshop" will be held at 10 a.m. and 1 p.m. at the Nature Center of Oakwoods Metropark near Flat Rock on Sat., April 9.

A vehicle entry permit is required (Annual: regular — \$7, senior citizens — \$2 or daily — \$2).

For additional information contact Michael J. Perrini, Public Affairs office, Detroit District, U.S. Army Corps of Engineers or phone (313) 226-4690.

Naturalist Bob Wittersheim will assist participants in the construction of a small, easy-to-fly kite. All materials will be provided for a nominal charge of \$1. Advance registration is required. A massive remodeling project and modest prices have proven to be a successful formula at the Red Rooster Dairy Bar & Pizzeria in Belleville.

Located at 455 Sumpter Road, this neighborhood establishment features outdoor seating, daily specials and naturally an emphasis on pizza and ice cream bargains.

The Rooster, a 12-inch pizza with pepperoni, ham, mushrooms, green peppers and onions, is priced at \$6.95. Medium (14-inch) and large (16 inch) offerings cost \$8.10 and \$9.05 respectively. Each Thursday a double slice of pizza goes for 69 cents, the regular price for one slice.

"We have a promotion that offers a free medium pizza with two items when someone collects 10 coupons," said owner Al Dancho, who also operates a Red Rooster bar and pizzeria at the corner of Willis and Rawsonville Roads in Sumpter Township. "A free coupon is located on every pizza box."

Dancho has spent nearly two years improving his Belleville site to provide a clean, family atmos-

phere for his primarily take-out oriented business.

In addition to the pizza, which is delivered free of charge, the Red Rooster has a wide selection of soft ice cream flavors (45 cents to 85 cents) as well as the traditional ice cream flavors (50 cents to \$1.20).

Grill items include hamburgers, which range in price from 49 cents to \$1.59, submarine sandwiches and

hot dogs. A popular new item is the bacon sub, which features bacon, lettuce, tomato, cheese and a special dressing served on a submarine roll.

The Red Rooster is open from 11 a.m. until midnight on weekdays and from 11 a.m. until 2 a.m. on Saturdays and Sundays. Orders can be placed by calling 699-1200.

Broadway director set to lead musical production

Word Baker, a renowned Broadway director, will join the Fairmount Theatre for the Deaf to present the musical, "The Amorous Flea," on April 10 at Madonna College in Livonia. Curtain time at the college's Activities Center is 2 p.m.

The production will feature both deaf and hearing actors, who will communicate with the audience through voice and American Sign Language. "The Amorous Flea" is a musical comedy version of Moliere's "School for Wives," writ-

ten in 1662, and concerns a middle-aged man who fears of finding a trustworthy woman.

Baker recently directed "I'm Getting My Act Together and Taking It on the Road," starring Connie Stevens. He will co-direct the production at Madonna College with Roderic Kates.

Tickets, priced at \$3; can be purchased at the door or by calling 591-5131. Madonna College is located at Levan and the I-96 expressway.

A comic genius at work

ROBIN WILLIAMS
"Throbbing Python Of Love"
(Polygram)

Robin Williams is, without a doubt, one of the truly great comic geniuses of our time. If you have ever witnessed a concert by him or listened to his first comedy LP, you are no doubt already aware of this. If, on the other hand, you walk in a record store and say "Hey Ma, Looky here . . . Mork done put out a record!", you've got a pleasant surprise in front of you.

Like it's predecessor, "Throbbing Python Of Love" is just about as good as a comedy album can get, with routine after routine banging away for a solid forty minutes. "Isn't it strange," asks Williams, "that we men spend nine months trying to get

out of the womb and the rest of our lives trying to get back in?"

This record was recorded during the same set of concerts as was his current Home Box Office "On Location" special, but on a different night. The basic routines are the same, but there are many slight — and often funnier — variations on the themes.

Although born in the Detroit area, Williams was brought up in Marin County, California. So these dates were a homecoming of sorts for him, recorded as they were in Frisco. "Ah, it's good to be back in San Francisco," he says, "where 'God Save The Queen' has a different meaning."

If you've never heard him do it, then Williams' classic "Elmer

Fudd sings Bruce Springsteen" is alone worth the price of admission. MTV was never like this, with Elmer, er, Robin crooning "I'm dwivin' in myyyy caaaw," to the tune of "Fire." A few other impressions (as such) also highlight the LP, including "Jack Nicholson does Hamlet," and Richard Simmons ("You call those . . . I've seen bigger lumps in oatmeal!").

It's important to note, as the disclaimer on the album jacket does, that "Throbbing Python Of Love" is an adult comedy record. It reads "Please note that certain words in this album might be considered objectionable," so wait until the kids (or parents . . .) are in bed before you take it out.

Make memories with an Easter feast

Easter is indeed a day for celebration. Spring is in bloom and family and friends gather to share the joy of this special holiday. Since Easter is known as the "feast of feasts," it's fitting that the highlight of the day be a gala meal featuring a parade of fabulous foods.

For centuries, tradition has called for the Easter menu to center around an impressive, full-flavored ham. Just right for today's tempo is a boneless, fully-cooked ham that needs only to be heated through before serving.

In keeping with the festive spirit of the day, delight young and old alike with Pear Bunny Salads. Whimsical bunnies, easily fashioned from canned Bartlett pear halves, are poised on individual servings of lime gelatin that pick up added taste and texture from chopped pears and crisp, fresh vegetables.

To cap the feast in spectacular style, bring on a festive "center piece" dessert, Chocolate Easter Egg Cake. It's extra-luscious since it features a very rich, deep chocolate cake crowned with creamy chocolate frosting.

Mint Glazed Ham

- 7 to 10-pound boneless "fully-cooked" smoked ham
- 1/4 teaspoon ground cinnamon
- 2 teaspoons each cornstarch, water and snipped mint leaves
- 3/4 cup pear syrup*
- 1/2 cup light corn syrup

Place ham on rack in open roasting pan. Insert meat thermometer so bulb is centered in thickest part. Do not add water. Do not cover. Roast in slow oven (325° F.) until the meat thermometer registers 130° F. to 140° F. (allow approximately 15 to 18 minutes per pound). Combine pear syrup with corn syrup and cinnamon, cook slowly 10 to 12 minutes. Dissolve cornstarch in water; stir into syrup. Bring to boil and cook 4 to 5 minutes. Reduce heat, stir in mint and continue cooking 2 to 3 minutes. Brush glaze over ham 20 minutes before end of cooking time.

*Pear syrup reserved from Pear Bunny Salads.

Pear Bunny Salads

- 1 can (29 ounces) Bartlett pear halves
- 1 package (3 ounces) lime-flavored gelatin
- 1 1/4 cups water
- 3 tablespoons white wine vinegar
- Dash salt
- 1/2 cup finely shredded cabbage
- 1/4 cup each shredded carrot and minced celery

Drain pears; reserve syrup. Set aside 6 pear halves; dice remaining. Dissolve gelatin in 1 cup boiling water. Add 1/2 cup syrup* remaining water, vinegar and salt. Chill until partially set. Stir in diced pears, cabbage, carrot and celery. Spoon about 3/4 cup mixture into each of 6 shallow 5-inch round bowls. Chill until set. Top each with pear half, cored side down. Decorate pears with raisins for eyes, almonds for ears, carrot strips for whiskers and marshmallows for noses and tails. If desired, tint almond "ears" and marshmallow "noses" with red food coloring.

*Remaining pear syrup may be used for Mint glazed Ham.

Chocolate Easter Egg Cake

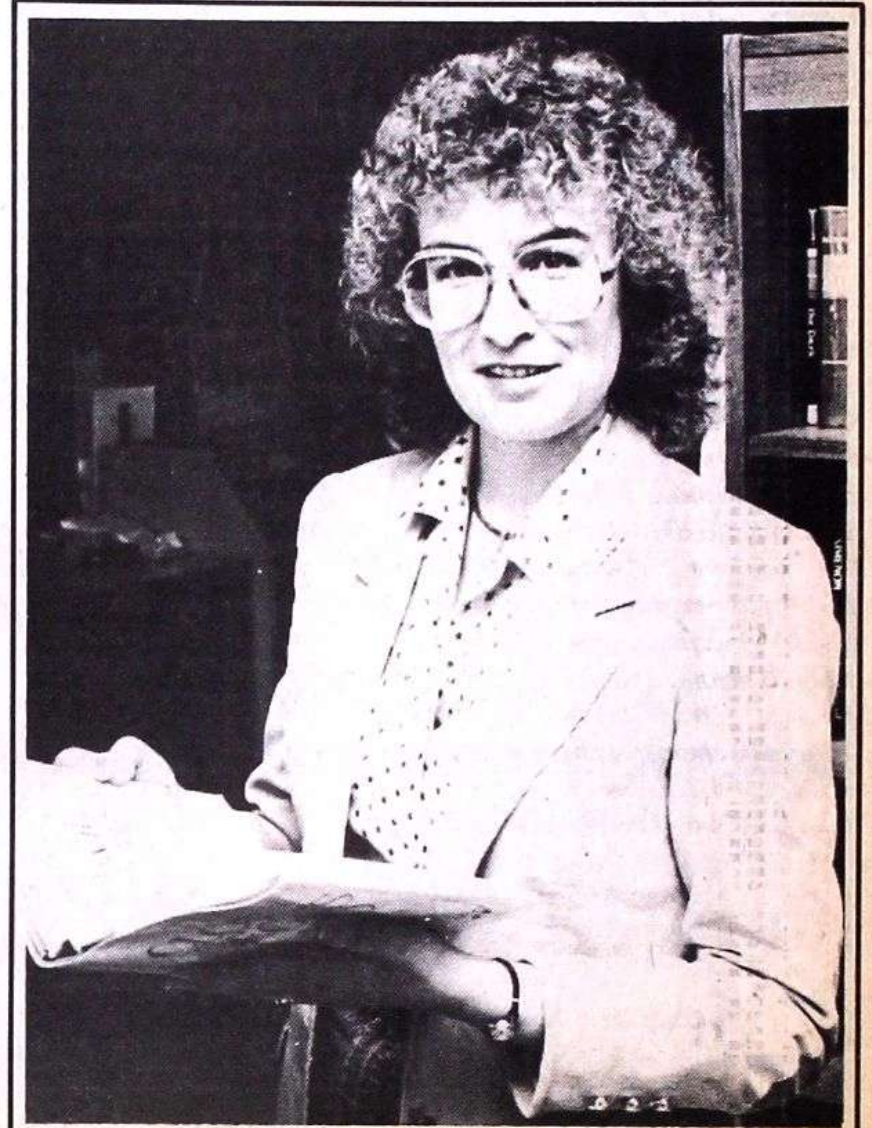

- 1 cup boiling water
- 3/4 cup Hershey's Cocoa
- 1/4 cup butter or margarine
- 1/2 cup shortening
- 2 cups sugar
- 2 eggs
- 1 teaspoon vanilla
- 2 1/2 cups unsifted all-purpose flour
- 1 teaspoon baking powder
- 1 1/2 teaspoons baking soda
- 1/2 teaspoon salt
- 1 cup buttermilk or sour milk*
- Chocolate Frosting (Recipe below)

Stir boiling water into cocoa; cool. In large mixing bowl, cream butter, shortening and sugar until fluffy. Add eggs and vanilla, beating well. Combine flour, baking powder, baking soda and salt; add alternately with buttermilk and chocolate mixture, beginning and ending with dry ingredients. Pour into well-greased and floured 9 x 6-inch egg-shaped pans (or 13 x 9 x 2-inch pan). Bake on lowest rack in 350° F. oven 60 to 65 minutes for egg-shaped pans, 40 to 45 minutes for oblong pan, or until cake tester inserted in center comes out clean. Cool. Trim base so cake sits level; trim layers to fit together evenly. Frost; trim with pastel flowers and Easter decorations. Makes 8 to 10 servings.

*To sour milk: To 1 tablespoon vinegar, add milk to equal 1 cup.

Chocolate Frosting

Combine 2 1/2 cups confectioners' sugar, 1/2 cup unsweetened cocoa, 6 tablespoons softened butter or margarine, 3 to 4 tablespoons milk and 1 teaspoon vanilla. Blend until spreading consistency.

Nancy Pollock new Belleville librarian

The Fred C. Fischer Library in Belleville has a "new look" in its librarian. Patrons of the local book emporium have been saying hello to Nancy Pollock since her arrival here on March 14.

Mrs. Pollock came to Belleville from the Trenton Public Library where she had served as children's librarian since 1979. Prior to that she was librarian in the Detroit Public Schools system. A native of Florida, she holds a bachelor of arts degree from the University of Florida and a masters in library science from Wayne State University.

Her outside interests include studies of life in the late 1800's and the Michigan Wheelmen (an antique bicycle club) of which she is co-captain. The group, incidentally, will be part of this year's Strawberry Festival Parade. And, too, she and her husband, Alex, City Planner for the City of Detroit, raise and show Bull Terriers. They make their home in Detroit.

JOHN EDWARD POLLARD

The birth of their first child, a baby boy, is announced by Mr. and Mrs. James Edward Pollard Jr. of Ann Arbor. Titled "John Edward", the newcomer bowed in at St. Joseph Mercy Hospital in Ann Arbor March 19 where his weight was recorded at 8 lbs.-7 ozs. and his length at 20-3/4 inches.

The baby's arrival made instant grandparents of Mr. and Mrs. James Edward Pollard Sr. of Belleville and Mr. and Mrs. Richard Roback of Weston. Great-grandfather honors go to John Pollard of Norway, Mich.

The new mother is the former Dawn Elizabeth Roback.

Being a grandparent, I assure you, is all it's cracked up to be! It's fun, it's interesting, it's educational, it's ego-boosting and it's exhilarating.

On the other hand, when you've been away from "little ones" for a couple decades and your spare bedroom takes on a wee boarder for 10 days, it's not only fun, interesting and certainly educational but it's downright exhausting!

I have learned, since Matt's visit, why God decided on young women for motherhood; that raising a boy is entirely different from rearing girls; that a grandson can get away with just about anything where a doting grandfather is concerned; that I have a lot more patience than when our girls were small (to a point); that I'm a lot older than I thought!

Furthering my education was the fact that an almost-four-year-old can be a terrible dawdler. For a Speedy Gonzales-type grandma, that's akin to traveling by covered wagon. Our Number One Grandchild does things very, very s-l-o-w-l-y (I hesitate to say "deliberately") — particularly eating, dressing, brushing teeth, taking baths, going to bed. And if the TV happens to be on, a commercial (of any kind) can stop him cold.

He does have another speed, however, and that's "maximum" for dashing from room to room, when he's chasing or being chased by Mollie Pooch or when climbing, diving, rolling or catapulting over, into or under chairs, tables, couches.

Mollie, the second of our houseguests, is a little blonde cocker belonging to Matt's auntie; she and Matt's mom deciding boy-and-dog would be great company for each other.

I observed the fact that little fellas never look where they're going and I was forever kissing away bumps on foreheads, massaging and kissing fingers caught in sliding doors, revolving cupboard doors and gliding drawers and inspecting minute cuts and banged elbows — healing them with a magical brush of the lips.

Growing boys, I found, are forever hungry — in-between-meals and at restaurants — and will indulge in anything you're willing to dispense. Unbeknownst to their landlords, they have built-in radar for detecting "treats" and can locate an animal cracker box, bag of

marshmallows or pack of gum even if it's six feet above their heads in the pantry. Fortunately, grapes, oranges, raisins and green-and-orange cocktails (a Grammaism for orange juice and diet lime soda) rate pretty highly as snacks.

Little boys are also surprisingly aware of ice cream stores, popcorn stands, candy machines and gumball dispensers as they tag along on shopping expeditions.

What I found refreshing (and credited it to heredity) was our tot's terrific imagination, not only for playing "roles" but for improvising with bits of "nothing". Finding a long strand of yarn, he proceeded to first being a fisherman and then becoming a puppy dog with the yarn as his leash. Grammalee then had to walk him, of course.

With leftover bits of wrapping paper I'd discarded, he had a ball fixing "presents" for me — his holster, a little race car, a book — all gift-packaged as only a 46-month-old can manage. Wooden napkin rings at dinnertime turned into binoculars and two oatmeal boxes became space boots as he clumped around the house.

It was pleasant realizing I'd not lost my talent for pretending and succeeded in being Wonder Woman to Matt's Batman; Dracula to his "monster"; John Baker to his Poncherello; Tonto to his Lone Ranger. I've a feeling the UPS man was a bit startled, though, to have his ring answered by a "grown" lady (overgrown?) sporting a six shooter in the belt of her slacks and wearing a bright red neckerchief (my "pal" to Matt's cowboy.)

Kids still like the funnies but the comics, MJ's grandpa discovered, are not at all comical. Settling his boy on his lap after a request that Gramp (it was "Gramp" last week) read him the Sunday pages, he found little of a humorous nature — everything had a message, too

profound for a 4-T. (Did you ever try to read "Star Wars" to a little tyke?) Gramp, too, put his imagination to work and came up with some pretty good tales.

The very best part of it all, and I'd almost forgotten, is the sweet innocence of toddlers — their complete trust in you, their spontaneous bursts of affection, their inimitable style of telling stories ("Once upon a time, when I was little..."); their unsolicited compliments ("You're a good cook, Gramma"... "You draw good pictures"); their firm belief in their capabilities ("I can do it myself!" — everything from cutting food, dressing, unwrapping gum, straws and crackers to pouring out cereal and milk); their belief in you as they repeat what "Grampa said..." or Gramma did....

But mostly it's that sudden shy way they have of looking at you as you snuggle together with a good storybook, smiling one of those sweet, sweet smiles and out of the blue stating, "I like you Gramma, you're my friend."

HERE'S ONE FOR THE ROAD

WHILE ON A VISIT to Florida recently, we were treated to some luscious Irish Creme (today's "in" liqueur) which turned out to be homemade. Our host and hostess were kind enough to share the how-to's with us so, if you're into Irish cremes and want to save a bundle here's one for doing yourself.

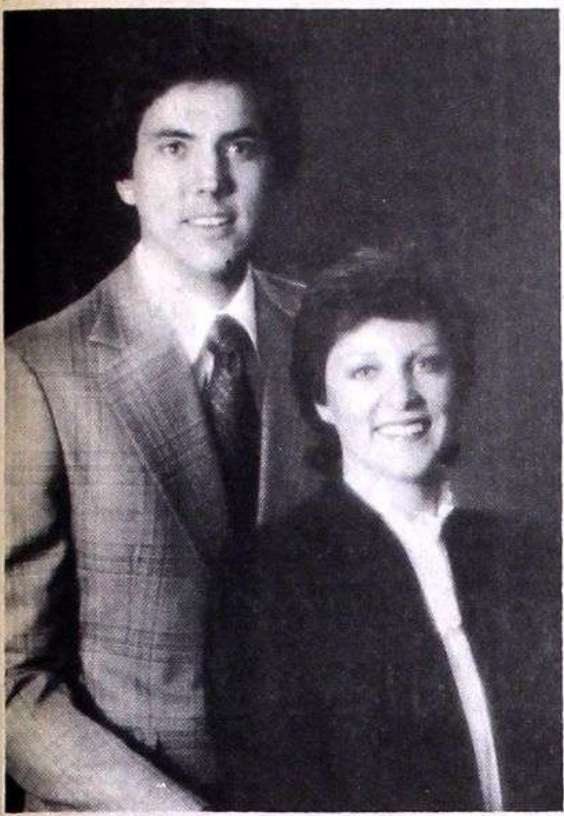

BROTHER BILL'S IRISH CREME

- 1 cup Scotch
 - 1 can Eagle Brand condensed milk
 - 1/2 pint whipping cream
 - 1 egg
 - 1 teaspoon Hershey's syrup
 - 1 teaspoon instant coffee
- Blend until mixed, about 10 or 15 seconds, not too long. Refrigerate, shake gently before serving.

THE BOTTOM LINE: Drive as if your children were in the other car.

Paas-Coleman

Altar date set

The engagement and approaching marriage of their daughter, Cynthia Elizabeth Paas, and Randall Joseph Coleman was announced by Charles and Lucille Paas of 403 Godfrey Ave., Monroe, formerly of Belleville. The bride-elect is a 1973 graduate of Belleville High School and 1977 alumna of the University of Notre Dame. She is currently working as executive director ASCS, Department of Agriculture, Monroe County. The prospective bridegroom, who resides in Lansing, is the son of Clifford and Georgiann Schmitt of St. Louis, Mo. A graduate of Iowa State University, he is employed as a hydrologist with U.S. Geological Survey. The young couple will be married May 21 in Monroe.

Karen Ostrowski feted at personal shower

Karen Ostrowski, who will be a spring bride, was honored at a luncheon shower May 19 at the home of Pamela Zoller on Haggerty Road, Belleville. Assisting Pam with the hostess detail were the bride-elect's other attendants: Anna Salvenis, Bridget Radisovich, Sheila Paterno and Mary Wisniewski. Following a menu of chicken, potatoes, vegetable and dessert, guests enjoyed several games with prizes for the winners then watched

Cathy Horste attends leadership confab

Cathy Horste, member of the GFWC Belleville Junior Study Club who currently serves as the Michigan State Federation of Women's Clubs' Crime Prevention Chairman, recently attended the March 18-19 statewide Leadership/Development Conference. Sponsored jointly by the Mecosta County Chamber of Commerce and the Michigan State Federation of Women's Clubs, the conference was held at the College of Business at Ferris State College in Big Rapids. Entitled "Leading and Liking It", the conference was designed to improve one's leadership skills in organizing and implementing volunteer community crime reduction programs. The high-intensity program covered two topics, both of which Mrs. Horste hopes to put into practical application in her volunteer crime reduction efforts through the Michigan Federation, as well as at her job site as a police officer for the Veterans Administration.

Greenhouse rep speaks at Junior Study Club

The March meeting of the GFWC-Belleville Junior Study Club was held at the Church Street home of club president Nancy Sawyer with 14 members and one guest, Kitty Miller of Van Buren Township, present. Special guest for the evening was Kim Inch of Coy Kendall Greenhouse who spoke on spring gardening. Ms. Inch brought slides to illustrate her presentation and fielded questions from members on garden and houseplant problems. During the business portion of the meeting, final reports were heard from the chairmen of several departments as they brought their projects to a year-end close. "Arts in the Schools" project chairman Kittie Davies reported the successful completion of the Edgemont Art Club and related her request to continue the club throughout the sum-

Mrs. Alice Herkimer and daughter, Debbie Cartwright, were in Pottsville recently where they attended the school play, "The Wizard of Oz", given by pupils of the Middle School on March 25. Mrs. Herkimer's two grandchildren, Julie Watson, who took the part of "Dorothy," and her brother, Jimmie Watson, who was the "Lion", were among those taking part.

Mrs. Suzanne Robertson, Amy and Benjamin, were Sunday guests of Mrs. Stella Cox of Liberty Street.

After having been a medical patient at Beyer Memorial Hospital for the past week, Warren Hatch was able to return home March 22.

Mrs. Ruth Roulo of Liberty street and her daughter, Mar Rita Remus of Graylock Street, were among those who attended a miscellaneous bridal shower in Dearborn March 20 honoring Lynn Hicks of Dearborn. The affair, given

as Karen opened the many personal gifts for her trousseau. On hand for the festive occasion were Sandy Ostrowski, Cathy Seay, Pam Halton, Gretchen Mlsna, Kathy Briggs, Lynne Wisniewski, Angie Ostrowski, Deb Hinkle, Brenda Pieche, Lynda Bennett, Angie Collins, Cathy Szuma, Beth Van Volkenbergh and Cheryl Butzen. Karen and her fiance, Stanley Brien Alexander of Ypsilanti, have set a May 28 altar date.

Part one of the program consisted of special training in the field of crime prevention for women — offering special insights into the problems experienced by females who live or travel alone. This information will be shared with the approximate 1500 employees of the Veterans Administration through an informational column which will begin regular appearances in the VA Newsletter.

Mrs. Horste also received day-long training in a program recently designed by the FBI to deter "terrorism/kidnap for ransom" attacks against business executives — a crime which is currently on the rise throughout the United States. Local business boards of directors might note the availability of this new program and contact Mrs. Horste to work to develop plans for their own firms.

Oak Park ousts Inkster

Last area cage team succumbs

It just wasn't meant to be. For the Inkster Vikings and Coach George Thompson Jr., Oak Park became their nemesis. The Parkers, throwing a tenacious full-court press at the Vikings and forcing a handful of crucial turnovers, eliminated the Vikings 71-53 in the quarter-finals of the state Class B basketball playoffs staged at Eastern Michigan University last week.

"Sure it hurts when you lose" Coach Thompson said "but these kids are winners. All of them. And their record speaks for itself. I

know this community and this school are proud of every member of our team."

Inkster found itself struggling in the first period as the taller and more aggressive Parkers jumped out in front 24-10 thanks to a 5-11 guard, Fred Marshall, and 6-7 Tony Holifield who combined for 45 of their team's 71 points.

The Vikings made a run for it in the second period as they outscored their rivals 17-10 when 6-5 George Davis, playing on an injured ankle, brought his team alive.

Davis, who finished with his

team's high of 25 points, became the catalyst for the Inkster rally which lifted the Vikings to within seven points (34-27) at the halfway mark.

Then, Anthony Avant caught fire as he began pumping in his two-pointers. It appeared the Vikings were fully recovered from their

shaky start. But it wasn't so. Closing within three (40-37) with less than four minutes left in the third period, the Vikings suddenly fell apart on defense and couldn't buy a bucket, as the saying goes, on offense.

The Parkers ripped off the next 10 points to widen the gap for good and left Inkster on the sidelines. The loss dipped Inkster's record at 19-6 for the 1982-83 season and provided Oak Park with a 24-2 record and the ticket into the semi-final round where the Parkers were defeated by East Grand Rapids.

Westland wins state hockey title

The Westland/Compuware Bruins, co-sponsored by Harlow Tire, captured the M.A.H.A. State Squirt AA crown at Plymouth Arena by defeating Trenton 6-2 in the championship game.

The victory capped off a series of comebacks by the Westland skaters throughout their five games series.

The club was faced their first obstacle overcoming their opening contest, Trenton 4-3. However, they regained some momentum by downing the pre-tournament favorite St. Clair Shores club 5-2, in their second game.

In the tournament's pivotal game, Westland found themselves three goals behind, twice, early in game three to the Lakeland Hawks.

After battling back to tie the score at 4-4, the Bruins fell behind again by two goals.

However, faced with a must-win situation to stay alive in the tournament, Westland dug in to again fought back and came away with a 8-7 win. The Harlow Tire squad then earned a place in the championship final by blanking Jackson 4-0 in their semi-final encounter.

Westland won the coveted State Squit AA title behind the outstanding goaltending of Rhondal Johnson; the aggressive blueline and strong in front of the net play by defenseman Bob Alley, Mike Olszewski, Jenny Whicker, Brian O'Meara, and Steven Kendall; the tenacious back checking and scoring of forwards Mike Tauriainen, Kris Johnson, Tommy Mazorowicz, Matt Sharkey, Chris Williams, Robb McIntyre, and Scott Ruffing; and the play of back-up goalie Doug Moffat of the Livingston Flames.

In addition to the great effort put forth by the boys, it was all made possible by the coaching genius of head coach Gene Tauriainen and his assistants Tom Mazorowicz and Randy Ollila.

In the championship final Westland struck for two first period goals to stake themselves to a 2-0 lead. Matt Sharkey opened the scoring by batting in a rebound off a shot by Chris Williams. Defenseman Brian O'Meara also picked up an assist on the goal. Mike Tauriainen then followed suit as he banged home a score off a rebound from a Robb McIntyre shot with Tom-

my Mazorowicz assisting. Trenton cut the lead in half on a goal by Ron Pittaway at the start of the middle stanza. However, Westland responded less than two minutes later to restore their two goal margin as Chris Williams broke loose to rifle home a short-handed goal. Trenton narrowed the margin again though, as the period closed.

The Bruins top production line of Sharkey, Williams and Ruffing then combined for an early third period score as Ruffing fired in a goal from the slot to give them a more comfortable 4-2 lead. Westland then salted the championship away with two quick scores within eleven seconds of each other.

Mazorowicz tipped in a pass from Robb McIntyre for the Bruin's fifth score and then Ruffing capped off the victory with his second goal of the game with again Sharkey and Williams assisting.

Westland earned a spot in the championship game by defeating Jackson 4-0 behind the outstanding goaltending of Rhondal Johnson. The whitewash was Johnson's seventh of the year and by far his best. Johnson received plenty of support from the defensive quintet of Brian O'Meara, Bob Alley, Mike Olszewski, Jenny Whicker, and Steven Kendall as the Bruins had to fight off nine penalties to preserve the hard fought victory.

Johnson turned away the Jackson forward's shots time and again as the "outstate" skaters carried the play for most of the contest. Unlike their first three encounters, Westland opened fast with three first period scores. Scott Ruffing took the

game's opening faceoff and carried the puck into the Jackson zone where he set-up Chris Williams for a goal at the nine second mark. Brian O'Meara registered an unassisted short-handed goal two minutes later as his 150 foot clearing shot surprised the Jackson goalie to give the Compuware squad a 2-0 lead. Williams then bagged his second goal of the game to put Westland ahead by three with Tommy Mazorowicz picking up an assist.

The Bruin's forwards then sat back and let Johnson, along with his blueline crew, do their job to hold off Jackson for the final two periods. Matt Sharkey tallied the Harlow Tire squad's fourth goal after taking a pass from Ruffing to round out the scoring and setup the championship game against Trenton.

Westland opened the tournament with a tough loss to Trenton 4-3 despite outplaying their foe throughout the contest.

After a scoreless first period the Bruins exploded for two goals within 27 seconds midway into the middle stanza. Scott Ruffing bagged the first goal after taking a pass from winger Chris Williams. "Jet" Mazorowicz widened the lead to 2-0 as he streaked down the right wing to score a short-handed goal with Ruffing drawing an assist.

However, Trenton responded with two quick scores of their own in the last two minutes of the period to knot the game at 2-2 as they entered the final twelve minutes of action. Matt Sharkey and Ruffing combined to set-up Williams at the eight minute mark to give the Harlow Tire squad a 3-2 lead. Trenton came back three minutes later to again

knot the game at 3-3. Then, with only a little over one minute remaining in the game, Trenton's Tim Doty jumped on a loose puck in the Westland zone and rifled home the game winning score. The loss left Westland with the task of winning their next two games in order to advance to the semi-finals.

The Bruins picked up their first win of the tournament in game two as they defeated the St. Clair Shores Wings, 5-2, in one of their best games of the season. Again after a scoreless opening period, Westland exploded for four unanswered goals in the middle stanza to stake themselves to a 4-0 lead. Robb McIntyre supplied the fire power for the Bruins as he scored two goals.

Faced with a must-win situation in game number three, Westland came out on top of a wild, penalty marred contest with the Lakeland Hawks, 8-7. The Bruins dug a hole for themselves early and had to battle back throughout the game to achieve their much needed victory. The Westland skaters fell behind 3-0 as the Hawks jumped in front before the opening period was half over. Matt Sharkey gave the Bruins a temporary spark as he banged in a rebound off a shot by Robb McIntyre to cut the deficit to 3-1.

The Hawks came right back to restore their three goal cushion with a goal at the start of the middle stanza. The Westland skaters were not to be denied as they continued to press the Hawks. Finally, they broke through as McIntyre fired in two straight goals to spark the team to victory.

Cherry Hill's Bahn, Wohlfeil are picked on All-State swim

After leading their team to a fourth place in the final Class B state ranking, Cherry Hill's Rod Wohlfeil and Mark Bahn were named to the Class B All-State swimming team.

"It's really an honor to make it to the top of your class," pointed out Spartan Coach Deby Karabees, who guided her swimmers to a share of the Western Wayne Invitational, the Tri-River Conference and a fourth place in the state this season.

"We are proud of our team, and exceptionally proud at the way most of our kids performed."

In order to earn the coveted All-State title, a swimmer must finish in the top six berths at the state championships.

Bahn captured a pair of bronze medals as he finished third in the state for the 200-yard individual medley. He was clocked in 2:06.9. The Spartan senior also turned in a 1:03.9 in placing third for the 100-yard breaststroke.

Wohlfeil touched in second for his silver medal and All-State recognition in the 100-yard freestyle where he polished off the distance in a 47.3 second clip. He finished third for the 50-yard freestyle with a 21.7.

The Spartans also put together a team made up of the Wohlfeil brothers - Mark and Rod, Brian Cotter and Bahn - to finish runner-up in the 400-yard freestyle event. They swam a 3:17.1.

Cherry Hill's foursome of John Sowers, Bob Miller, Mark Wohlfeil and Ray Oulette wound up 13th best in the 200-yard medley relay.

The Spartans wrapped up the 1982-83 campaign with an impressive 14-2 won-lost record.

Coach Karabees, who had been an assistant to Wayne Beerbower, moved up to the top job at the beginning of the season and managed to keep the Spartans' winning tradition alive.

DON DOMKE

Domke is in 'Hall of Fame'

Don Domke, former football coach and athletic director of John Glenn High School, will be inducted into the Michigan High School Football Association's Hall of Fame on Saturday, April 8.

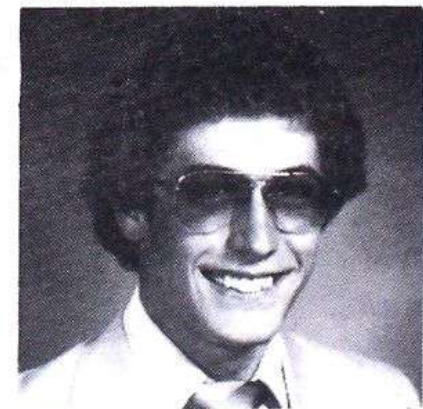

Domke coached football at Wayne Memorial from 1951 until 1960. He coached football at John Glenn High School from 1964 until his retirement in 1982.

The induction will be highlighted with special guest speakers "Bo" Schembechler and "Woody" Hayes.

'Great expectations'

Tolson looks good at Tennessee

Former prep All-American cross country star, Doug Tolson of Westland, enters his junior year at the University of Tennessee with high hopes and expectations.

Tolson, who won state cross country and track titles while competing for Wayne Memorial, has developed into one of the top distance runners in the Southeastern Conference and the nation.

Tolson is Tennessee's top returnee in both the 5,000-meter and the 10,000 meter runs. He was the SEC indoor 500-meter champion last season and placed third in the 10,000 meter at the indoor championships in 1982.

He also captured the Joe Hilton Invitational 3-mile run and placed second in the two-mile at the Indiana Relays and in the Indiana dual

meet. Tolson ran his personal best 14:01.2 in the 50,000 at last year's Penn relays and captured a fifth place at the meet. His best for the 10,000 mark is 29:13.9 and, according to coach Stan Huntsman, one of the top coaches on the track scene today. "Doug has shown vast improvement within the last year and with continued improvement could move into national class."

All-Area is coming in next ANP edition

There may be a relative lull in the action on the prep sports scene while the baseball, track, and tennis teams whip themselves into shape, but the Associated Newspapers' sports staff won't have it easy over the next three weeks.

The staff is compiling stats, asking questions and polling fans and coaches to find the top prep athletes for the ANP's prestigious "All-Area" wrestling, basketball and swimming teams.

The players and athletes will make their appearances on these pages starting with the wrestlers next week.

Don't miss the climax to this exciting winter sports season.

Hey, it's not all over

Flint Central may rule the Class A prep cage world, but teams and players in the Associated Newspapers' circulated area have had their share of the limelight. Who

were the top performers? That question will be answered in the next few days when the ANP unveils its All-Area team.

Over 30 hockey action

Playoff champs crowned

The 1982-83 season is over for the Wayne Westland Men's Over 30 Hockey League.

Playoff competition ended last week with Brock's taking the best two out of three from All Sorts Sports and Futurama finishing undefeated in the playoff game elimination series.

Brock's took over in the game against All Sorts Sports and finished with a 9-2 victory.

John Castellanos and Gary Pierce finished with two goals with Pierce also picking up one assist.

Bob Wood scored once and received four assists; Dave Frankling tallied for a goal and two assists while Ed Harmon netted the puck for a goal and as assist.

Ken Howe finished the game with five assists to help with the victory. Bill Brown and Marv Borycki accounted for single tallies while

Paul Kos and Otto Mason picked up one assist.

All Sorts Sports got on the scoreboard first by a penalty shot goal by Tom DiLaura and then a goal scored by Nelson Vanderburgh midway in the final period assisted by Ed Spontack and Tom DiLaura. All Sorts Sports finished the season with Division Champion honors.

Futurama held off a hot Michigan Pub team to card a 2-0 shutout and earn the honors of Playoff Champions. Ron Tyranski and John McFaddin accounted for Futurama's scoring with Ken Murray picking up two assists while Phil Cerne and Dick Burns received one assist. Both teams were undefeated up to this game.

In consolation games for the final week, Tastee Freeze and Johnson's Carbonic skated to a 5-5 tie. Tastee

Freeze had the early lead but Johnson's skated back in the final period to get the tie.

Dave Fishwick led Johnson's with two goals; Mike O'Shea tallied for a goal and an assist which Bob Murray and Glenn Stevenson accounted for a goal apiece. Jack Willard picked up four assists in the contest.

Tastee Freeze started off their scoring when Nick Palise netted the puck early in the first period. Jim McClure followed with two goals and one assist; Conrad Madaleno and Ken Carter tallied for a goal and an assist. Gene Taurainen assisted two goals while Bob Capler finished with one assist.

Family Heating scored three times in the final period to secure a 5-3 win over Etronic. Al Puck tallied for two goals and two assists; Jack Bockstanz and Ron Wojewski rat-

ted the net for one goal and picked up one assist. Dan Thomas accounted for the remaining goal. Ernest Hunter, Dave Jones and Ray Ericksen received one assist.

Etronic's scoring was done by Al Farina, Jim Drewry and Jerry Robertson. Robertson also picked up one assist. Dennis Broge and Dan Demmers finished the game with one assist.

Jake's Lounge logged a 3-2 victory over Little Bills Trophies as Arnie Cox scored the game winner for Jake's. Roger Wodgenske and Jay Middaugh tallied for Jake's other two goals. Dennis LePensee picked up the lone assist in the game.

Terry Johnson scored both goals for Little Bills while John Clearwood, Mike McGraw and Mark LaFond picked up the assists.

Ten Pin Topics

Carlson joins elite '300 club'

It's nice to see that the bowlers have decided not to pay attention to the ups and downs of the weather we have had lately, and are concentrating on keeping their scores on the up side instead.

Take, for instance, the people at Town "N" Country Lanes. They not only chalked up a pair of 300 games, but an all time individual high for the center was also set.

First, 24-year-old, Christopher Carlson, at a 188 average, started his night with a 300 game; he then went on to total 690. Right behind him came Len Hobson, who found that bowling in 5 leagues a week is a good way to improve on his 183 average. Len shot his perfect game and had an impressive 717 series for a very memorable night.

The all time high series was set by 187 average, Tim Hoepner, on games of 277-247-257 for a 781 series. That's 200 pins over average for one bowler in one three game set, which is more than some teams can do in a night.

Other action at Town "N" Country included Dean Huntoon with 9-in-a-row for a 279 game, and a 651 series; Jim Clearman went up the ladder with games of 230-233-234 for 697; Rose Harrison had her first 200 game with a 207 tally; Pat Monroe hit 245; and Delores Twardzicki had a 236 game.

The Bernies Marine Service Team established a trio league high game when Jim Mijal hit 279, Bob Knapp had 224, and Gary Bowman rolled 223 for a 726 total. Ed Dobozy recorded a 681 series; Aaron Staples had 652; Dave Knotts hit 255 and a 676 total; Rob Daniels finished with a 654 series; Donna Little rolled a 222 game; and Dennis Andrew took his string of consecutive 600 series up to seven with a 627 total.

Westland Bowl's Mixed Classic was the site of another noteworthy team effort when J.T.'s General Store pulled together for a 1230

game and 3359 series. Contributions included Frank Muggler with 224; Carol Goike, 244; Bob Schonce, 238 (734); Bob Goike, 235 (713), and, at the top, Tim Wright with 289.

Also at Westland Bowl, John Kmiecik had a 278 game and a 681 total; Len Hobson hit 279 and 667; Diane Sluserczyk was well over her 151 average with a 268 game and 621 series; and Senior citizen, Helene Werson, hit a 253 game for a 577 series.

Christa Walis, at the tender age of 14 years, created memories at Super Bowl when she threw 11 strikes in a row for a super 279 game; Tracy Lewis, also at 14 years of age, cracked the 600 series barrier with a 601; Scott Kraft hit 267 and 704; and Sonny Hammers, at 170 average, hit a 278 game.

At Wayne Bowl the topic of conversation recently was 9 year old,

Mary Washington. Last year was Mary's first year in organized bowling; and for the first few weeks she had an average of 4 — yes 4!

But she didn't quit and, now with a 76 average, it is not unusual for her to have games of 102-96-119 as she did recently. 13 year old, Dave Morton, hit 150; 14 year old, Michelle Clark had a 177; 16 year old, Wendy King was at 185; and 17 year old, Steve Newhirk hit a 203 game.

Larry Long was 110 pins over his average with a 257 game; Cal Simmons hit 280 and 643; Jeff Hogan totalled 672; and Dan Wilson finished with a 671 total.

Fiesta Lanes scoring included Bud Smith with a 730 series on games of 248 and 268; Bob Patterson hit 723; Bob Hammond recorded his first 700 series with a 704; Diane Evans rolled a 251 game; Barb Glazier hit 235 and 613; and with the younger set, 7 year old

Ryan Baker went well over his average of 20 with games of 53 and 84.

Lodge Lanes shooters were led by Mike Browder, with 265 and 257 for 723; Bob Brown had a 674 series; Patty Mills hit 254 and 671; Bill Barnett rolled a 277 game; Joy Ducher was at 268; Ray Farrar realized his first 600 with a 265 game and 610 total; Ken Purdy rolled a 258 game and was 164 pins over average with his 641 series; Mickey Maton hit 236; Cherril Baker had 230 and 626; and Dorothy Butzin finished with a 226 game.

As a reminder, keep two things in mind. First, the Wayne-Westland Men's Bowling Association Tourney; entry blanks are now available at area bowling centers, and in June, the Annual "Big Bash" awards dinner dance. See an association director for tickets on this one.

Dolphins capture 22 medals at Junior Olympic swim meet

Nine members of the Wayne Recreation Dolphin Swim Club, coached by Jim Watts and Dan Butler, received top honors at the Junior Olympic Swim Championships held last week at Oakland Community College.

The championships were sponsored by McDonald's Restaurants, and the meet was open to swimmers who had previously attained "B" to less than "AA" times.

The Dolphin swimmers competing in the meet were Eric Sims, Nicole Drake, Keith Tilley, Dene't Tompkins, Keith Head, Kevin Martin, Jeff McKeever, John Sharnetsky, Shelly Conley, Elena Drake, Rhonda Graham, Kurt Tilley, Lia

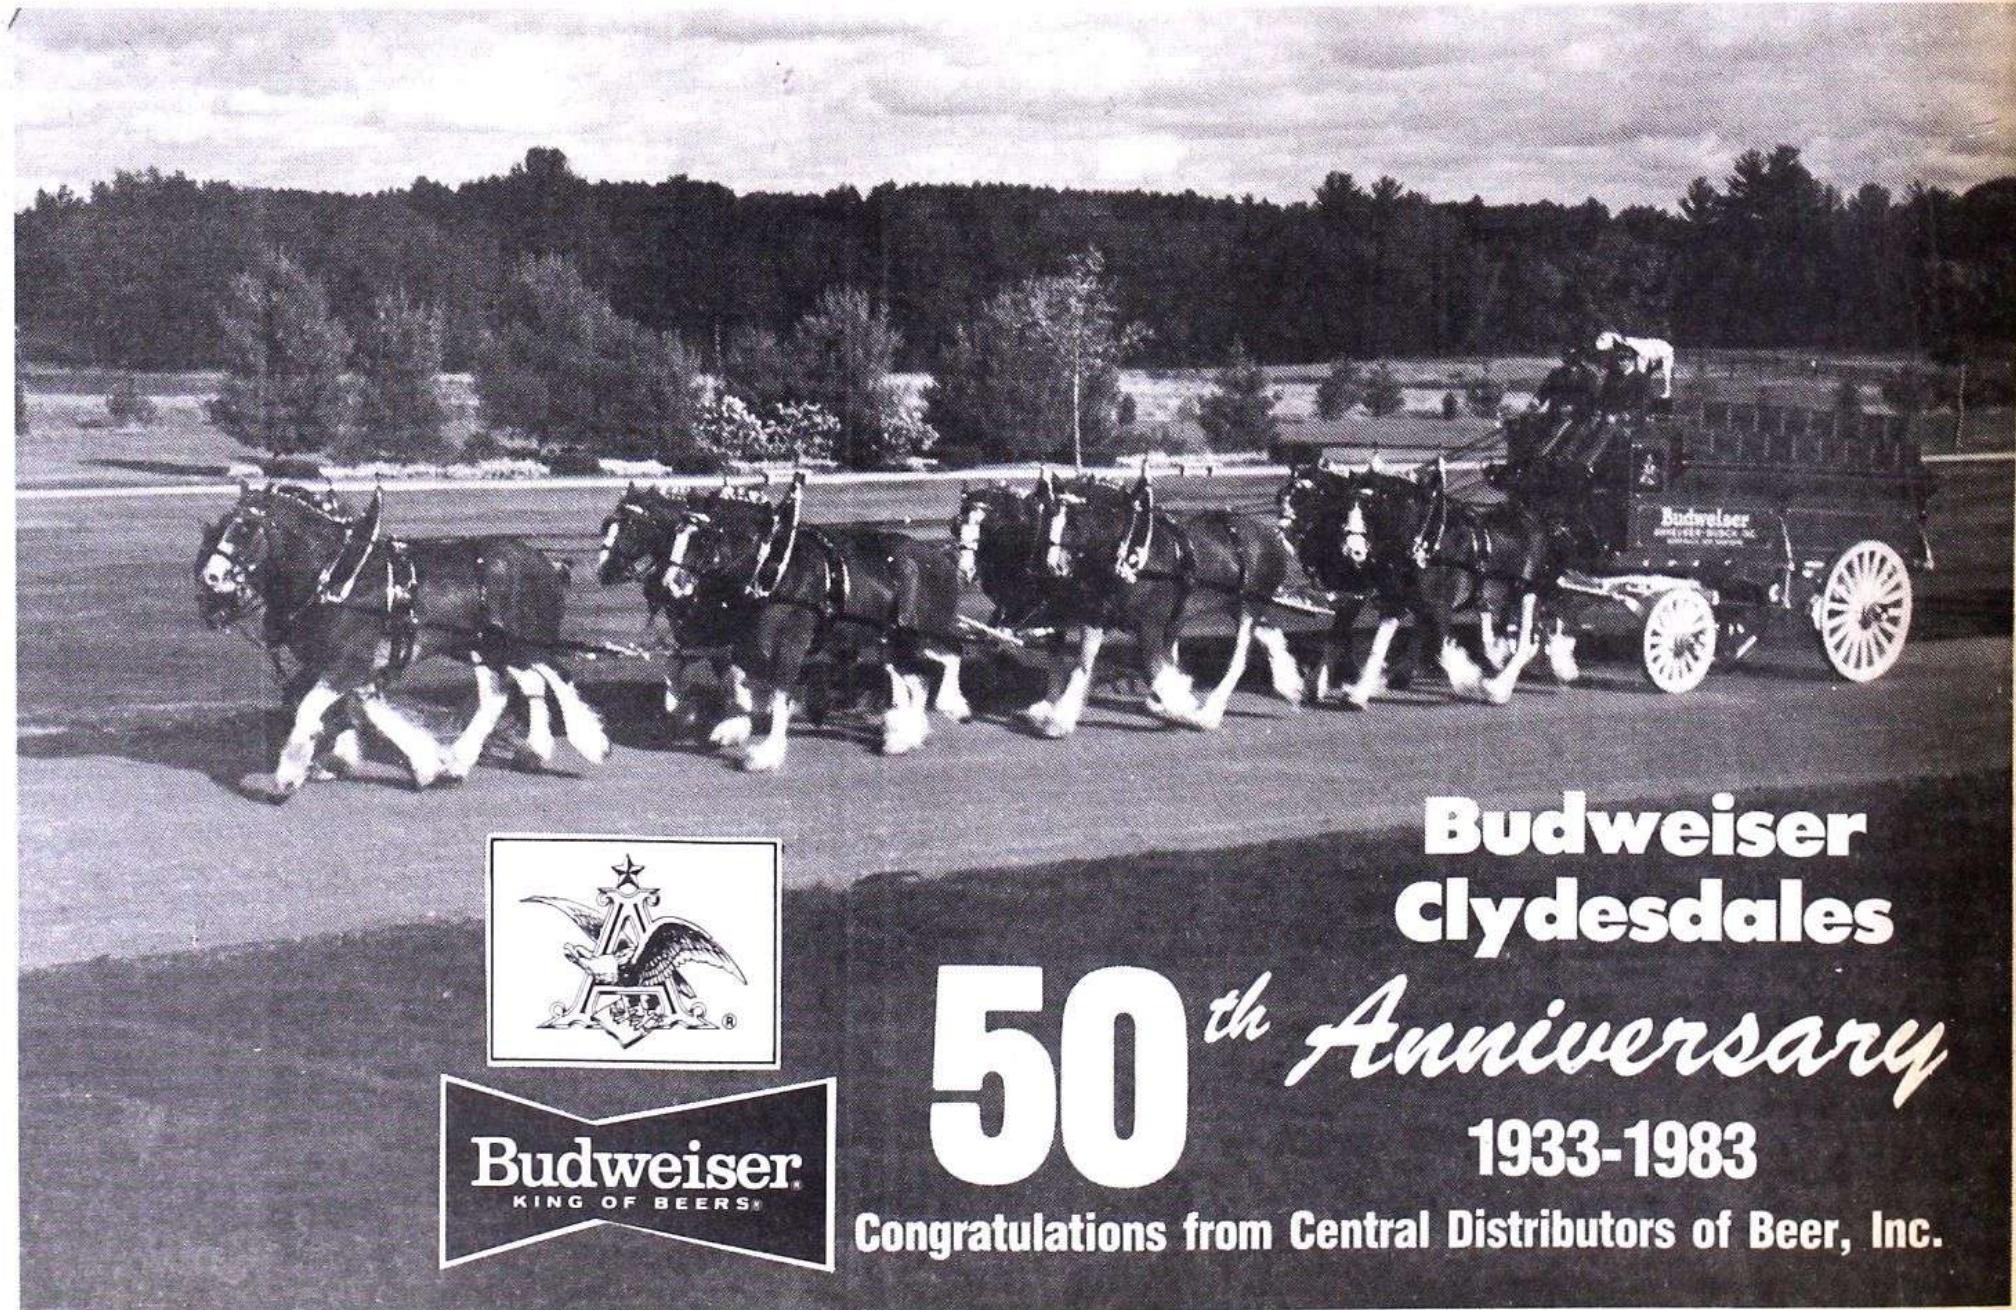

Jaquette, and Kim Tilley.

In all, the Wayne Dolphins received four gold, four silver, and five bronze medals, in addition to

Display 4 p.m. Monday. Deadlines subject to change during holidays. CANCELLATIONS AND CORRECTIONS Read your ad carefully the first time it appears, and report any errors before the next edition. This will be the only proof you will receive. Errors should be reported immediately after it appears in the paper and report at once any error found. Claims for error adjustment must be made immediately after ad is published. HOW TO WRITE A GOOD CLASSIFIED AD 1. IT'S ALWAYS BEST TO state your advertisement with the name of the item or service you have to offer. If you have an apartment or room for rent, or property for sale, it's better to start your advertisement with the location. 2. BE CLEAR. Readers read more quickly and favorably when they see complete or definite information. One of the most important considerations of any advertisement is to include the price. 3. MAKE IT EASY for the reader prospect to reach you. ALWAYS insert your telephone number or your name and address if you do not have regular hours, state a preferred time to have prospects contact you. 4. PLACE YOURSELF in the reader's position and use your own words to describe the item or service you have to offer. Give them every advantage you can with your ad. 5. CLASSIFIED READERS are busy people. They are not interested in buying used or new merchandise, unless you have the money and are in the market to buy. Give them every advantage you can with your ad. 6. CLASSIFIED ADS THAT FAIL to do so through a lack of readability, but because they are often quickly worded and do not contain enough information to attract enough

LaFontaine Toyota—a great big little dealership

By SUE BACHAND
ANP Staff Writer

Mike LaFontaine looks at every customer at his Toyota dealership as a potential friend... and tries to treat them that way.

"We're a local, neighborhood dealer. We're here in the area and we sell our cars in a relaxed, quiet atmosphere. This is a friendly, relaxed place to buy a car where the customers always come first," the 18-year veteran of the automobile business noted.

It's also a family place, with Dan LaFontaine acting as sales manager at his brother's dealership, and the owner's wife, Maureen, working as a salesperson.

"We stress that we are not big in size at our dealership, but we are very big in numbers," LaFontaine said.

That is obviously a matter of pride to LaFontaine, who grew up in the auto business—his father was a car dealer and he has two other brothers who are dealers in the Ann Arbor area.

The main reason, LaFontaine explained, for the success of his dealership is the quality and reputation of Toyota in the industry. "I would

say people buy Toyotas for the quality and dependability. Most of our customers are pre-sold because the Toyota models are rated so highly in the consumer guides.

"And word of mouth. The reputation of our dealership and of the cars is just one customer talking to others—that's really the basis for our reputation and our success," he added.

Business, LaFontaine reported, is excellent. He sees the economy on the upswing and business improving as a result of that increased economic traffic. And, don't underestimate the weather as a factor in the urge of buyers to purchase that needed new car—"we've had a tremendous break in the weather and the early spring and lack of snow have certainly helped business," the dealer noted.

Presently LaFontaine Toyota is featuring a month-end sell-a-thon at the Dearborn dealership with special purchase prices on the more than 39 different Toyota models.

These sale prices which represent a tremendous savings to buyers will continue until the end of the week, LaFontaine noted, as part of a national campaign. "These are special price incentives for buyers

that we normally don't see. It's a good time to buy a car," LaFontaine noted.

"We're trying to establish ourselves as one of the better dealers in the area—and we've been working at that since we've been here. In the past three years we've seen our business grow as the reputation for good deals, good autos and good service grows—that's what we're trying to continue," he added.

The extensive service and parts department at LaFontaine supplies most of the needed parts for other dealers and repair shops for Toyota throughout the area, LaFontaine noted, and the excellence of the service facility is a matter of great pride to him.

"In three years we've only had three repeat complaints—that's the reason for our good reputation. We just don't have repeat problems," he said.

And, LaFontaine noted, his customers are very well educated as to the quality of the car they are buying—"they are very car conscious," he said.

"We don't have a mammoth overhead here. We're a small store and we cater to peoples' needs. I think

that's very important and so do my salespeople," he added.

In addition to his wife, LaFontaine employs another female salesperson whom, he added with pride, is his top producer—"I don't think female salespeople are uncommon anymore in dealerships.

We have two men and two women, so to us, it's just the norm," he said.

LaFontaine offers complete bank financing at the dealership for customers and noted that most of the clients do take advantage of financing offered at the dealership.

"We can offer everything here,"

LaFontaine concluded.

The dealership, located at 22805 Michigan Avenue in Dearborn, is open from 9 a.m. until 9 p.m. Mondays and Thursdays and from 9 a.m. until 6 p.m. Tuesdays, Wednesdays and Fridays. The service and parts department opens one hour earlier.

We are Number 1

We feel due to the Don Massey Cadillac commitment that when you buy or lease a Cadillac, you deserve to be treated like a Cadillac owner. And when you take your car in for service, you have the right to expect the type of consideration traditionally reserved for Cadillac owners. We intend to keep that tradition alive.
